Background

The FHWA's Buy America policy in 23 CFR 635.410 requires a domestic manufacturing process for any steel or iron products (including protective coatings) that are permanently incorporated in a Federal-aid construction project. The regulation also provides for a waiver of the Buy America requirements when the application would be inconsistent with the public interest or when satisfactory quality domestic steel and iron products are not sufficiently available. This notice provides information regarding the FHWA's finding that a Buy America waiver is appropriate to use non-domestic TAS Gazex® Avalanche Exploder for the State of Utah and TAS O'Bell Avalanche Initiating Blaster for the State of Wyoming.

In accordance with Title I, Division C, section 122 of the "Consolidated and Further Continuing Appropriations Act, 2012" (Pub. L. 112-55), the FHWA published a notice of intent to issue a waiver on its Web site for TAS Gazex® Avalanche Exploder for the State of Utah (<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=69>) on March 6, and TAS O'Bell Avalanche Initiating Blaster for State of Wyoming. (<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=71>) on March 22. The FHWA received two comments in response to the Utah publication, and no comment in response to Wyoming publication. Both comments received in response to the Utah publication urged the use of domestic manufacturers, when possible, but did not provide any suggested manufacturers. During the 15-day comment periods, the FHWA conducted additional nationwide review to locate potential domestic manufacturers of TAS Gazex® Avalanche Exploder and TAS O'Bell Avalanche Initiating Blaster. The National Institute of Standards and Technology-Manufacturing Extension Partnership MEP also conducted supplier scouting on the Avalanche Initiating Blasters and reported that they could not find domestic matching items. Based on all the information available to the agency, the FHWA concludes that there are no domestic manufacturers of TAS Gazex® Avalanche Exploder for the State of Utah and TAS O'Bell Avalanche Initiating Blaster for the State of Wyoming.

In accordance with the provisions of section 117 of the SAFETEA-LU Technical Corrections Act of 2008 (Pub. L. 110-244, 122 Stat. 1572), the FHWA is providing this notice as its finding that a waiver of Buy America
