BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Office of the Secretary

Renewal of the Defense Health Board

AGENCY: DoD.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: Under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b), and 41 CFR 102-3.50(d), the Department of Defense gives notice that it is renewing the charter for the Defense Health Board (hereinafter referred to as "the Board"). The Board has been determined to be in the public interest.

The Board is a discretionary federal advisory committee that shall provide

the Secretary and Deputy Secretary of Defense, through the Under Secretary of Defense for Personnel and Readiness (hereafter referred to as "the Under Secretary of Defense"), and the Assistant Secretary of Defense for Health Affairs, independent advice and recommendations on matters pertaining to:

- a. DoD healthcare policy and program management;
- b. Health research programs;
- c. Requirements for the treatment and prevention of disease and injury by DoD;
- d. Promotion of health and the delivery of efficient, effective and high quality health care services to DoD beneficiaries; and
- e. Other matters of special interest to DoD, as determined by the Secretary of Defense, the Deputy Secretary of Defense or the Under Secretary.

The Board is not established to provide advice on individual DoD procurements, but instead shall be concerned with the DoD healthcare issues facing the Department of Defense in the areas referenced above. No matter shall be assigned to the Board for its consideration that would require any Board member to participate personally and substantially in the conduct of any specific procurement or place him or her in the position of acting as a contracting or procurement official.

The Board shall be composed of not more than 19 members who are appointed by the Secretary of Defense. The members shall be eminent authorities in one or more of the following disciplines: clinical health care, disease and injury prevention, health care delivery and administration, or strategic decision-making in government, industry, or academia.

Board members shall be appointed by the Secretary of Defense and their appointments will be renewed on an annual basis according to DoD policy and procedures. Board members who are not full-time or permanent part-time Federal employees shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. 3109 and serve as special government employees. Each Board member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest. With the exception of travel and per diem for official travel, Board members shall serve without compensation.

The Secretary of Defense may approve the appointment of Board members for one-to-four year terms of service, with annual renewals; however, no member,

unless authorized by the Secretary of Defense, may serve more than two consecutive terms of service on the Board. This same term of service limitation also applies to any DoD authorized Subcommittee of the Board.

Appointments will normally be staggered among the Board membership to ensure an orderly turnover in the Board's overall composition on a periodic basis. Regular government officers or employees who participate in DoD's decision-making process for this Board are prohibited from serving on the Board or its subcommittees.

The Secretary of Defense, in consultation with the Under Secretary of Defense, shall appoint the Board's President. The Under Secretary of Defense shall appoint the Vice President. The Under Secretary of Defense, pursuant to DoD policies and procedures, may appoint, as deemed necessary, non-voting experts and consultants, with special expertise, to assist the Board on an ad hoc basis. These experts and consultants, if not full-time or part-time government employees, shall be appointed under the authority of 5 U.S.C. 3109, shall serve as special government employees, shall be appointed on an intermittent basis to work specific Board-related efforts, and shall have no voting rights. Non-voting experts and consultants appointed by the Under Secretary of Defense shall not count toward the Board's total membership, and shall not engage in Board deliberations.

The Department, when necessary, and consistent with the Board's mission and DoD policies/procedures, may establish subcommittees, task groups, and working groups to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Board's sponsor.

Such Subcommittees shall not work independently of the chartered Board, and shall report all of their recommendations and advice solely to the Board for full deliberation and discussion. Subcommittees have no authority to make decisions and recommendations, verbally or in writing, on behalf of the chartered Board; nor can any Subcommittee or its members update or report directly to the DoD or any Federal officers or employees.

All Subcommittee members shall be appointed in the same manner as the Board members; that is, the Secretary of Defense shall appoint Subcommittee members even if the member in question is already a Board member.
