SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change Relating to the Clearance and Settlement of Over-the-Counter Options

October 26, 2012.

On August 30, 2012, the Options Clearing Corporation (“OCC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change and Advance Notice SR–OCC–2012–14 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) 1 and Rule 19b–4 thereunder. 2 The proposed rule change was published for comment in the Federal Register on September 18, 2012 3 and an Advance Notice was published for comment in the Federal Register on September 27, 2012. 4

Section 19(b)(2) of the Act 5 provides that within 45 days of the public notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is November 2, 2012. The Commission is extending this 45 day time period.

The proposed rule change relates to OCC’s adoption of rules to permit the clearing of Over-The-Counter (“OTC”) options on the S&P 500 Index. In light of the fact that OCC does not currently provide clearing services for OTC products and because no registered clearing agency currently provides clearing services for OTC S&P 500 Index options, the Commission finds it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider this proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act, 6 designates December 17, 2012, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR–OCC–2012–14).

For the Commission by the Division of Trading and Markets, pursuant to delegated authority. 7

Kevin M. O’Neill,
Deputy Secretary.

7 The lifecycle of a distribution event includes an announcement of the event, a record date entitlement assigned to each Participant entitled to a distribution, a potential instruction given from the Participant as to how to handle an optional distribution, an allocation of a credit to the Participant and a post allocation communication to those Participants involved in the distribution.
8 The ISO 20022 format allows for a greater number of data elements from their equivalent CCF files. In order to reduce risk, improve transparency and increase efficiency in the announcing and processing of distribution events, DTC is updating its standards for communicating information related to these events by publishing the data in industry-standard ISO 20022 format for the entire lifecycle of the event. 7 DTC
9 The ISO 20022 format allows for a greater number of data elements from their equivalent CCF formats, and the new real-time messaging protocols allow for more frequent updates and access to messages intraday as opposed to many of the end-of-day batch CCF files.

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act and Rule 19b–4(f)(4)(ii) the rule change because it effects a change in an existing service of DTC that does not significantly affect the safeguarding of securities or funds in the custody or control of DTC or for which it is responsible and does not significantly affect the respective rights or obligations of DTC or persons using this service. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
