Environmental Assessment for the Pine Ridge Fire Temporary Closure Area

The temporary closure affects public lands burned in the Pine Ridge Fire northeast of Grand Junction, Mesa County, Colorado. The public lands within the temporary closure are administered by the BLM, Grand Junction Field Office. The northern boundary of the temporary closure is located at Route 7729A; the western boundary of the temporary closure is located approximately 8 miles west of De Beque, Colorado; the eastern boundary of the temporary closure is located at Interstate 70 and the Colorado River; and the southern boundary of the temporary closure is located at Cottonwood Creek. The legal description of the affected lands is:

**Colorado, Sixth Principal Meridian**
- T. 9 S., R. 97 W., Sections 18, 19, and 30; T. 9 S., R. 96 W., Sections 13 to 26, inclusive; T. 10 S., R. 98 W., Sections 1 to 3, inclusive; T. 9 S., R. 99 W., Sections 25 and 36.

This temporary closure is necessary due to the severe intensity of the Pine Ridge Fire. The fire destroyed much of the natural vegetation that held soils in place. A temporary closure of public land to vehicle and foot traffic within the burned area is necessary to stabilize soils, prevent erosion and protect public health and safety. The BLM spread a quick germinating, hybrid annual seed and plans to disperse native species seeds in the affected area. The dispersed seeds need to be undisturbed to create root structure and stabilize soils. Soil erosion prevention, re-seeding operations and damage surveys are required for successful stabilization and rehabilitation of the burn area. Public use of the burned area will hamper these efforts and delay rehabilitation.

The BLM will post closure signs at main entry points to the temporary closure area. The closure notice will be posted in the Grand Junction Field Office along with maps of the affected area and other documents associated with this closure including the Environmental Assessment for the Pine Ridge Fire (DOI–BLM–CO–130–2012–0048–EA). Under the authority of Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8360.0–7 and 43 CFR 8364.1, the BLM will enforce the following rule on public land affected by the Pine Ridge Fire described as follows: You must not enter the Pine Ridge Fire Temporary Closure Area by any means of transportation, including by vehicle or foot.

The following persons are exempt from this order: Federal, state, and local officers and employees in the performance of their official duties; members of organized rescue or firefighting forces in the performance of their official duties; and persons with written authorization from the BLM.

Any person who violates the above rule(s) and/or restriction(s) may be tried before a United States Magistrate and fined no more than $1,000, imprisoned for no more than 12 months, or both. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.

Helen M. Hankins, BLM Colorado State Director.

AVX Corporation, Civil Action No. 83–3882–Y, resolving AVX Corporation’s liability under the unknown conditions/new information and cost-related reopeners in the 1992 Consent Decree between United States and the Commonwealth of Massachusetts and AVX in connection with the New Bedford Harbor Superfund Site. 77 FR 63871.
