

Under the Government Performance and Results Act, the Department has established goals and measures for the recidivism of individuals who have been in correctional institutions. The measure related to recidivism is—

(5) The percentage of adults served by the PRSCEO program who, within one year of release, have criminal justice system involvement (arrest, re-conviction, violation of parole conditions, or return to incarceration) compared with the percentage of similarly situated individuals not served by the PRSCEO program.

Grantees will be responsible for providing data to support evaluation of these objectives.
