Written comments and suggestions
from the public and affected agencies
concerning the proposed collection of
information are encouraged. Your
comments should address one or more
of the following four points:

- Evaluate whether the proposed
collection of information is necessary
for the proper performance of the
functions of the agency, including
whether the information will have
practical utility;
- Evaluate the accuracy of the agency’s
estimate of the burden of the
proposed collection of information,

including the validity of the
methodology and assumptions used;

- Enhance the quality, utility, and
clarity of the information to be
collected; and
- Minimize the burden of the collection
of information on those who are to
respond, including through the use of
appropriate automated, electronic,
mechanical, or other technological
collection techniques or other forms
of information technology, e.g.,
permitting electronic submission of
responses.
