Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change described in Items I and II below, which items have been prepared primarily by the Exchange. Nasdaq filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder so that the proposed rule change was effective upon filing with the Commission.² The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to expand the exemption to the Direct Registration Program requirement under Nasdaq Rules 5210(c) and 5255(c) so that it applies to all foreign issuers rather than foreign private issuers only. If the Commission waives the pre-operative delay provided for in Rule 19b-4(f)(6),³ Nasdaq proposes to implement the proposed rule change immediately. The text of the proposed rule change is available at <http://nasdaq.cchwallstreet.com>, at Nasdaq's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.⁴

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(1) Purpose

Nasdaq Rules 5210(c) and 5255 provide that all securities listed on Nasdaq (except securities which are book-entry only) must be eligible for a Direct Registration Program⁵ (“DRS”) operated by a clearing agency registered

² 15 U.S.C. 78s(b)(3)(A) and 17 CFR 240.19b-4(f)(6).

³ 17 CFR 240.19b-4(f)(6).

⁴ The Commission has modified the text of the summaries prepared by Nasdaq.

⁵ The Direct Registration Program is more often referred to in the securities industry as the Direct Registration System or “DRS.”

under Section 17A of the Act.⁶ When this requirement was initially adopted, Nasdaq recognized that the laws or regulations of certain foreign countries might make it impossible for companies incorporated in those countries to comply. Consequently, the current rule permits a foreign private issuer to follow its home country practice in lieu of this requirement when prohibited from complying by a law or regulation in its home country.⁷

Nasdaq now proposes to amend this exemption to extend its application to all “foreign issuers” as that term is used in Securities Exchange Act Rule 3b-4⁸ rather than only to foreign private issuers. Nasdaq believes this amendment is necessary because the same legal or regulatory impediments to DRS eligibility exist for a foreign issuer which is incorporated in a foreign jurisdiction but which does not qualify for foreign private issuer status as is the case for a foreign private issuer incorporated in the same jurisdiction which is currently eligible to utilize the existing exemption. Absent this extension of the scope of the exemption, the DRS eligibility requirement would render it impossible for a foreign issuer to list if it was not a foreign private issuer but was incorporated in a foreign jurisdiction whose law or regulation made compliance with the DRS requirement impossible. Nasdaq believes that the proposed rule change is appropriate in light of the specific and discrete problem faced by foreign issuers that are not foreign private issuers but who are prohibited by home country law or regulation from becoming DRS eligible. As under the current exemption, the foreign issuer will have to submit to Nasdaq a written statement from an independent counsel in the company's home country certifying that a law or regulation in the home country prohibits compliance with the DRS requirement in order to utilize the exemption.

Nasdaq Rule 5615 provides limited exemptions with respect to certain corporate governance and reporting requirements for foreign private issuers. The proposed rule change does not expand the scope of such relief to
