Federal Housing Administration (FHA) Healthcare Facility Documents: Revisions and Updates and Notice of Information Collection; 30-Day Notice

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: On May 3, 2012, and consistent with the Paperwork Reduction Act of 1995 (PRA), HUD published for public comment, for a period of 60 days, a notice advising that HUD was updating and revising a set of production, underwriting, asset management, closing, and other documents used in connection with transactions involving healthcare facilities, excluding hospitals, that are insured pursuant to section 232 of the National Housing Act (Section 232). These documents are referred to collectively as the healthcare facility documents. The 60-day notice published on May 3, 2012, together with a companion proposed rule published on that same date, started the process of updating the healthcare facility documents and the Section 232 program regulations.

This 30-day notice published today continues the process required by the PRA. With the issuance of this notice,

HUD will submit the information collection for the closing documents to the Office of Management and Budget (OMB) for review and approval, and assignment of OMB control numbers. In accordance with the PRA, the closing documents will undergo the public comment process every three years to retain OMB approval.
