Based on information provided in a later-filed petition, the Department reviewed the certification for Verso.

Additional information provided by the company official and the State of Minnesota revealed that the subject worker group includes on-site leased workers from several commercial entities as well as two on-site contractors (Bryce Kowalzek and Ted Kromy). The certification is being amended to reflect this new information.

The intent of the Department’s certification is to include all workers of Verso who have met the appropriate TAA criteria.
