POLICY JUSTIFICATION

Kingdom of Saudi Arabia—Cooperative Logistics Supply Support Arrangement

The Government of the Kingdom of Saudi Arabia (KSA) has requested a possible sale of a Foreign Military Sales Order (FMSO) II to provide funds for blanket order requisitions under the Cooperative Logistics Supply Support Arrangement (CLSSA), for spare parts in support of M1A2 Abrams Tanks, M2 Bradley Fighting Vehicles, High Mobility Multipurpose Wheeled Vehicles (HMMWVs), equipment, support vehicles and other related logistics support. The estimated cost is \$300 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country that has been, and continues to be, an important force for political stability and economic progress in the Middle East.

This proposed sale will allow the Royal Saudi Land Forces Ordnance Corps to continue to purchase needed repair parts to maintain their fleet of M1A2S Abrams Tanks, M2 Bradley Fighting Vehicles, and High Mobility Multipurpose Wheeled Vehicles (HMMWVs), construction equipment, and support vehicles and equipment.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

There are no prime contractors involved with this sale. There are no known offset agreements in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Saudi Arabia.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
