

that might not otherwise be appealable to the Board may be challenged as an individual right of action (IRA) appeal under the Whistleblower Protection Act (WPA) or as an appeal under the Uniformed Services Employment and Reemployment Rights Act (USERRA) or the Veterans Employment Opportunities Act (VEOA). An explanation of these three types of appeals is provided in Appendix A.

and in the new box 16, which provides as follows:

Explain briefly why you think the agency was wrong in taking this action. In challenging such an action, you may choose to allege that the agency engaged in harmful procedural error, committed a prohibited practice, or engaged in one of the other claims listed in Appendix A. Attach the agency's proposal letter, decision letter, and SF-50, if available. Attach additional sheets if necessary (bearing in mind that there will be later opportunities to supplement your filings).

As a result of this change, current boxes 13a, 14, 15, 16, 17, and 18 have been replaced with revised boxes 13, 14, 15, and 16. Current box 19, asking the appellant "[w]hat action would you like the Board to take in this case [,]" has been eliminated, as superfluous. Moreover, the language of current box 20 (revised box 17), has been changed to eliminate the request for information about the agency against which any negotiated grievance has been filed (as this agency will almost certainly be the same as the one having taken the personnel action itself). Finally, revised

boxes 18 and 19, requesting information related to exhaustion of remedies in IRA and USERRA/VEOA appeals, respectively, replace current boxes 31, 32, and 33.

Part 3—OPM or Agency Retirement Decision: This section remains largely unchanged. Current boxes 26 and 27, requesting information regarding if and when a final retirement decision has been received, have been consolidated into revised box 24. Current box 29, asking the appellant "[w]hat action would you like the Board to take in this case[,]" has been eliminated, as superfluous.

Part 4—Designation of Representative: As previously noted, the current Part 4, soliciting information about affirmative defenses, has been eliminated. The revised Part 4 replaces the current Part 6, with some slight changes in language.

Part 5—Certification: As previously noted, the current Part 5, providing information about IRA, USERRA, and VEOA appeals, has been eliminated. The revised Part 5 contains the appellant certification, presently included in Part 1 of the form, along with the Privacy Act Statement and Public Reporting Burden.

Appendix A and B: As previously noted, Appendix A provides information regarding affirmative defenses and IRA, USERRA, and VEOA appeals, as well as the special time limits for filing such appeals, making this material available to those to whom it applies, while otherwise streamlining

and simplifying the appeal form itself. Appendix B provides full contact information for each of the Board's regional offices, together with their corresponding geographic areas.

Estimated Reporting Burden

In accordance with the requirements of the Paperwork Reduction Act of 1995, the MSPB is soliciting comments on the public reporting burden for this information collection. The public reporting burden for this collection of information is estimated to vary from 20 minutes to 4 hours, with an average of 60 minutes per response, including time for reviewing the form and instructions, searching existing data sources, gathering the data necessary, and completing and reviewing the collection of information.

Specifically, the MSPB invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of MSPB's functions, including whether the information will have practical utility; (2) the accuracy of the MSPB's estimate of burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

ESTIMATED ANNUAL REPORTING BURDEN

1201, 1208, and 1209	7,150	1	7,150	1.0	7,150
