DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–5613–N–11]

Privacy Act of 1974: Notice of a New System of Records, Enterprise Wide Operations Data Store

AGENCY: Office of the Chief Information Officer.

SUMMARY: Pursuant to the provision of the Privacy Act of 1974, as amended (5 U.S.C. 552a), the U.S. Department of Housing and Urban Development (HUD) is providing notice of its intent to establish a new system of records, the Enterprise Wide Operations Data Store (EWODS) for one of its Departmental Offices, the Government Mortgage National Associate (Ginnie Mae), Office of Mortgage-Back Securities (MBS), which focuses on guaranteeing Ginnie Mae investors a timely payment of principal and interest on MBS backed by federally insured or guaranteed loans. The EWODS is to serve as a central back-end repository to manage various reporting, pooling, and risk management activities associated with the mortgage-backed securities process. The EWODS production activities will typically maintain data submitted to Ginnie Mae by issuers who issue securities backed by insured or guaranteed mortgage loans, mainly those administered for HUD’s Federal Housing Administration or the U.S. Department of Veterans Affairs. The EWODS system is expected to standardize the mortgage-backed securities activities and improve significantly the efficiency of Ginnie Mae’s production activities, pooling, reporting and risk management efforts.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM: Categories of individuals covered by this system include individual borrower data associated with government insured or guaranteed mortgage loans that are the underlying collateral for Ginnie Mae-guaranteed mortgage-backed securities (MBS); issuers and document custodians involved in the pooling, certification, and monthly reporting process; and individuals who currently or previously held physical certificates of Ginnie Mae-guaranteed mortgage-backed securities.

CATEGORIES OF RECORDS IN THE SYSTEM: Information collected and nature collected are defined in the following four categories:

1. Loan origination and servicing data: Borrower/co-borrower name, Social Security Number, gender, date of birth, and income and other financial data (such as credit score) of the borrower and any co-borrower; property address, mortgage amount, origination date, funding date, payments made, maximum claim amount, payment option selected by the borrower, remaining amount of principal that may be drawn by the borrower, reasons for delinquency, unique identifiers assigned by insuring agencies, such as the Federal Housing Administration (FHA), U.S. Department of Veterans Affairs (VA), U.S. Department of Agriculture Rural Development (RD) formerly the Rural Housing Service and Farmers Home Administration, or HUD.

2. Physical security holders (investors) data: Social Security Number/Tax ID, name, mailing address, phone number, or email address of those holding the security.

4. Security Level Data: Ginnie Mae pool number, Committee on Uniform Securities Identification Procedures (CUSIP) number, pool issuance characteristics, maturity date, security rate, and pool balance amount.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Section 306(g) of the National Housing Act, 12 U.S.C. 1721(g). The collection of Social Security Numbers are authorized pursuant to the Internal Revenue Service Code 26 U.S.C. 6109 and 26 CFR 1.6049–4 and 1.6050H–2.

PURPOSE(S):

Ginnie Mae uses the information collected in EWODS to administer and carry out its functions as guarantor of securities under Section 306(g) of the National Housing Act, 12 U.S.C. 1721(g). The primary purpose of this system of records is to serve as a central back-end repository to house loan origination and servicing, security holder, issuer, document custodian, and security-level data associated with government insured and guaranteed mortgage loans that are underlying collateral for Ginnie Mae-guaranteed mortgage-backed securities. The system maintains data submitted to Ginnie Mae by issuers who issue securities backed by insured or guaranteed mortgage loans, mainly those administered for HUD’s Federal Housing Administration or the U.S. Department of Veterans Affairs. The data housed in the system is necessary to support the pooling process by which eligible issuers create Ginnie Mae-guaranteed MBS. The system also captures security-level data that is created for the purposes of disclosure, and security holder information that is used to ensure timely payment of a pro rata share of the principal and interest on the underlying mortgage loans in a security, net of servicing and guaranty fees, to MBS investors. If Ginnie Mae defaults and extinguishes an issuer, then one of Ginnie Mae’s functions as guarantor of securities will be to begin servicing the mortgage loans. Ginnie Mae must collect borrower SSNs so that it may, if it extinguishes an issuer and begins to service the mortgage loans, comply with IRS reporting requirements, including the requirement to provide the IRS and borrowers with information returns regarding interest received on which Ginnie Mae must identify the borrower SSNs.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act (Accordingly, discretionary disclosures that may apply to EWODS!), other routine uses are as follows:

(a) To the public for the purpose of achieving a fair and open market in Ginnie Mae-guaranteed single and multiclass securities by making information available to investors that should lead to greater investor confidence and more accurate pricing on these securities that could decrease the cost of individual borrowing. In all cases, the public will access on Ginnie Mae’s Web site a public use file that will be maintained for such purposes and will only contain [de-identified] data that is structured to protect borrower and co-borrower confidentiality where identities may be discerned. The authority for this routine use is Section 306(g) of the National Housing Act, 5 U.S.C. 552a and the SORN when published to establish the routine use.

(b) To other Federal agencies to ascertain if the loan is insured or guaranteed by a Federal agency under an eligible insuring or guaranteeing authority. The authority for this routine use is Section 306(g) of the National Housing Act, 5 U.S.C. 552a and the SORN when published to establish the routine use.

(c) To the Internal Revenue Service and to state and local governments—for reporting payments for interest. The authority is Section 306(g) of the National Housing Act, 26 U.S.C. 6109, 26 CFR 1.6049–4, 5 U.S.C. 552a, and the SORN when published to establish the routine use.

BILLING CODE 4210–67–P

waivers of regulations that HUD has approved, by publishing a notice in the Federal Register. These notices (each covering the period since the most recent previous notification) shall:

a. Identify the project, activity, or undertaking involved;

b. Describe the nature of the provision waived and the designation of the provision;

c. Indicate the name and title of the person who granted the waiver request;

d. Describe briefly the grounds for approval of the request; and

e. State how additional information about a particular waiver may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions that are not relevant to the purpose of this notice.

This notice follows procedures provided in HUD’s Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337). In accordance with those procedures and with the requirements of section 106 of the HUD Reform Act, waivers of regulations are granted by the Assistant Secretary with jurisdiction over the regulations for which a waiver was requested. In those cases in which a General Deputy Assistant Secretary granted the waiver, the General Deputy Assistant Secretary was serving in the absence of the Assistant Secretary in accordance with the office’s Order of Succession.

This notice covers waivers of regulations granted by HUD from July 1, 2012 through September 30, 2012. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Fair Housing and Equal Opportunity, the Office of Housing, and the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver of a provision in 24 CFR part 58 would be listed before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived. For example, a waiver of both § 58.73 and § 58.74 would appear sequentially in the listing under § 58.73.

Waiver of regulations that involve the same initial regulatory citation are in
