RIN 0694-AF62

Editorial Corrections to the Commerce Control List of the Export Administration Regulations

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: This final rule corrects reference and typographical errors in the Commerce Control List (CCL) in the Export Administration Regulations (EAR). The corrections are primarily editorial in nature and do not affect license requirements. A technical standard in ECCN 3A991 is revised.

DATES: Effective on December 7, 2012.

FOR FURTHER INFORMATION CONTACT: Robert Monjay, Office of Exporter Services, Bureau of Industry and Security, by telephone (202) 482-2440 or email: Robert.Monjay@bis.doc.gov.

SUPPLEMENTARY INFORMATION: This final rule updates seven categories of the Commerce Control List (CCL) to correct spelling and typographical errors and inaccurate internal references, and to provide a complete and more accurate description of controls and the related items on the CCL.

Category 0, Nuclear Materials, Facilities, and Equipment And Miscellaneous Items

ECCN 0A018.c is amended to correct an error in a final rule published by BIS on March 30, 2004 (69 FR 16478, 16480). The March 20, 2004, rule contained duplicative language and did not include the word ECCN prior to a reference to a related ECCN. To correct these errors, this rule removes the phrase "that were not specifically designed for hunting or sporting purposes" and adds the word "ECCN" before the word "0A984" in the Note to 0A018.c.

ECCN 0B001.g.2 is amended to correct an error in a final rule published by BIS on January 15, 1998 (63 FR 2452, 2462). The January 15, 1998, rule included an unnecessary apostrophe in the word "alloys". To correct this error, the rule deletes the apostrophe from the word "alloy's" in ECCN 0B001.g.2.
