This Part of the regulation establishes procedures for recovery of the cost of reclamation activities conducted on private property. Responses are required to obtain a benefit.

This information collection activity was previously approved by the Office of Management and Budget (OMB) and assigned control number 1029–0057.

DATES: Comments on the proposed information collection must be received by February 11, 2013, to be assured of consideration.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. This notice identifies an information collection that OSM will be submitting to OMB for approval. The collection is contained in 30 CFR Part 882—Reclamation on Private Lands. OSM will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information.
