OPM/GOVT-1

SYSTEM NAME:

General Personnel Records.

SYSTEM LOCATION:

Records on current Federal employees are located within the employing agency.

Records maintained in paper may also be located at OPM or with personnel officers, or at other designated offices of local installations of the department or agency that employs the individual. When agencies determine that duplicates of these records need to be located in a second office, e.g., an administrative office closer to where the employee actually works, such copies are covered by this system. Some agencies have employed the Enterprise Human Resource Integration (EHRI) data system to store their records electronically. Although stored in EHRI, agencies are still responsible for the maintenance of their records.

Former Federal employees' paper Official Personnel Folders (OPFs) are located at the National Personnel Records Center, National Archives and Records Administration (NARA), 111 Winnebago Street, St. Louis, Missouri 63118. Former Federal employees' electronic Official Personnel Folders (eOPF) are located in the EHRI data system that is administered by NARA.

Note 1—The records in this system are records of the OPM and must be provided to those OPM employees who have an official need or use for those records. Therefore, if an employing agency is asked by an OPM employee to access the records within this system, such a request must be honored.
