The Federated Indians of Graton Rancheria Liquor Control Statute reads as follows:

Chapter One—Introduction

Section:

1.1 Authority. This Statute is enacted pursuant to the Act of August 15, 1953 (Pub. L. 83–277, 67 Stat. 586, 18 U.S.C. 1161) and by powers vested in the Tribal Council of the Federated Indians of Graton Rancheria (“Tribal Council”) to enact laws, policies, and regulations as authorized under Article VI, Section 1 of the Constitution of the Federated Indians of Graton Rancheria (the “Constitution”), adopted December 2002.

1.2 Purpose. The purpose of this Statute is to regulate and control the possession, sale, manufacture and distribution of liquor within Lands Under the Jurisdiction of the Federated Indians of Graton Rancheria (“Tribe”), including the Reservation of the Federated Indians of Graton Rancheria (“Reservation”), in order to permit alcohol sales by tribally owned and operated enterprises and private lessees, and at tribally approved special events. Enactment of a liquor control statute will help provide a source of revenue for the continued operation of the tribal government, the delivery of governmental services, and the economic viability of tribal enterprises.

1.3 Short Title. This Statute shall be known and cited as the “Liquor Control Statute.”

1.4 Jurisdiction. This Statute shall apply to all lands now or in the future under the governmental authority of the Tribe, including, but not limited to, the Reservation and any lands that may be taken into trust for the Tribe.

1.5 Application of 18 U.S.C. 1161. By adopting this Statute, the Tribe hereby regulates the sale, distribution, and consumption of liquor while ensuring that such activity conforms with all applicable laws of the State of

California as required by 18 U.S.C. 1161 and the United States.

1.6 Declaration of Public Policy; Findings. The Tribal Council enacts this Statute, based upon the following findings:

(a) The distribution, possession, consumption and sale of liquor on the Tribe’s Reservation is a matter of special concern to the Tribe.

(b) The Tribe is the beneficial owner of the Reservation, upon which the Tribe plans to construct and operate a gaming facility and related entertainment and lodging facilities.

(c) The Tribe’s gaming facility will serve as an integral and indispensable part of the Tribe’s economy, providing revenue to the Tribe’s government and employment to tribal citizens and others in the local community.

(d) Federal law, as codified at 18 U.S.C. 1154 and 1161, currently prohibits the introduction of liquor into Indian country, except in accordance with State law and the duly enacted law of the Tribe.

(e) The Tribe recognizes the need for strict control and regulation of liquor transactions on Lands under the Tribe’s Jurisdiction because of potential problems associated with the unregulated or inadequate regulated sale, possession, distribution, and consumption of liquor.

(f) Regulating the possession, sale, distribution and manufacture of liquor within Lands under the Tribe’s Jurisdiction is also consistent with the Tribe’s interest in ensuring the peace, safety, health, and general welfare of the Tribe and its citizens.

(g) Tribal control and regulation of liquor on Lands under the Tribe’s Jurisdiction is consistent with the Tribe’s custom and tradition of controlling the possession and consumption of liquor on tribal lands and at tribal events.

(h) The purchase, distribution, and sale of liquor on Lands under the Tribe’s Jurisdiction shall take place only at duly licensed (i) tribally owned enterprises, (ii) other enterprises operating pursuant to a lease with the Tribe, and (iii) tribally-sanctioned events.

(i) The sale or other commercial manufacture or distribution of liquor on Lands under the Tribe’s Jurisdiction, other than sales, manufacture, and distributions made in strict compliance with this Statute, is detrimental to the health, safety, and general welfare of the citizens of the Tribe, and is prohibited.
