SUPPLEMENTARY INFORMATION:

Background: The Secretary of Transportation is responsible for implementing regulations which establish minimal levels of financial responsibility for: (1) For-hire motor carriers of property to cover public liability, property damage and environment restoration, and (2) for-hire motor carriers of passengers to cover public liability and property damage. The Endorsement for Motor Carrier Policies of Insurance for Public Liability (Forms MCS-90/90B) and the Motor

Carrier Public Liability Surety Bond (Forms MCS-82/82B) contain the minimum amount of information necessary to document that a motor carrier of property or passengers has obtained, and has in effect, the minimum levels of financial responsibility as set forth in applicable regulations (motor carriers of property—49 CFR 387.9; and motor carrier of passengers—49 CFR 387.33). FMCSA and the public can verify that a motor carrier of property or passengers has obtained, and has in effect, the required minimum levels of financial responsibility, by use of the information enclosed within these documents.

Title: Financial Responsibility for Motor Carrier of Passengers and Motor Carriers of Property.

OMB Control Number: 2126-0008.

Type of Request: Revision of a currently-approved information collection.

Respondents: Insurance and surety companies of motor carriers of property (Forms MCS-90 and MCS-82) and motor carriers of passengers (Forms MCS-90B and MCS-82B).

Estimated Number of Respondents: 6,074.

Estimated Time per Response: The FMCSA estimates it takes two minutes to complete the Endorsement for Motor Carrier Policies of Insurances for Public Liability or three minutes for the Motor Carrier Public Liability Surety Bond; and one minute to place either document on board the vehicle (foreign-domiciled motor carriers only) [49 CFR 387.7(f)]. These endorsements are maintained at the motor carrier's principal place of business [49 CFR 387.7 (iii) (d)].

Expiration Date: March 31, 2013.

Frequency of Response: Upon creation, change or replacement of an insurance policy or surety bond.

Estimated Total Annual Burden: 4,480 hours [(3,874 annual burden hours for Form MCS-90B, Form MCS-90, Form MCS-82B and Form MCS-82) + (606 annual burden hours for placing legible copies of the carrier's Insurance Endorsements or Surety Bonds in the cabs of all vehicles operated in the United States) = 4,480].

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the performance of FMCSA's functions; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected

information. The agency will summarize or include your comments in the request for OMB's clearance of this information collection.

Issued on: December 7, 2012.

Associate Administrator for Office of Research and Information Technology.

SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption from the Federal Motor Carrier Safety Regulations for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption." The statute also allows the Agency to renew exemptions at the end of the 2-year period. The 12 individuals listed in this notice have recently requested such an exemption from the diabetes prohibition in 49 CFR 391.41(b)(3), which applies to drivers of CMVs in interstate commerce. Accordingly, the Agency will evaluate the qualifications of each applicant to determine whether granting the exemption will achieve the required level of safety mandated by the statutes.
