Information Collection Requirement

OMB Control Number 1652-0041; National Explosives Detection Canine Team Program (NEDCTP) Handler Training Assessment Survey (formerly named: Graduate Training Feedback Form). The FAMS/CTES Explosives Detection Canine Handlers Course, Passenger Screening Canine Handler Course and the Supervisor/Trainer

Seminars are given to state and local personnel as well as TSA personnel who are trained to be canine handlers. The state and local personnel participate under agency specific cooperative agreements in that portion of the the TSA Grant program administered by the National Canine Program (NCP). The Handler Training Assessment Survey captures from graduating students numerical ratings and written comments about the quality of training instruction at the FAMS/CTES Explosives Detection Canine Handlers Course, Passenger Screening Canine Handler Course and the Supervisor/Trainer Seminars. The data is collected electronically through the NCP Canine Web site (a secure Web site accessible by authorized personnel only) and provides valuable feedback to the Supervisory Agent in Charge (SAC), CTES, instructional staff and supervisors on how the training material was presented and received. The Assessment Surveys are mandatory for students who successfully complete training, but the students may remain anonymous. Once reviewed, the feedback is used to improve the course curriculum and course of instruction. The estimated burden is approximately one hour per participant, 180 hours per calendar year (average 180 students per calendar year) to read, answer, and submit the questions.

Issued in Arlington, Virginia, on December 6, 2012.
