The use of a right-of-way, interagency or cooperative agreement, or surface management by the BLM under 43 CFR 3715 or 43 CFR 3809 regulations will not adequately constrain nondiscretionary uses, which could result in loss of adequate protection and preservation of the subject lands for future solar energy development.

There are no suitable alternative sites for the withdrawal.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Records relating to the amended application may be examined by contacting Shannon C. Stewart at the above address or by calling 202–912–7219.

The amended application for the proposed withdrawal will be processed in accordance with the regulations set forth in 43 CFR part 2300.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the amended proposed withdrawal may present their views in writing to the BLM Director at the address noted above.

All comments received will be considered before any final action is taken on the proposed withdrawal.

The lands described in this notice are segregated until June 29, 2013, pursuant to 43 CFR 2091.3–1(e) and 43 CFR 2804.25(e) (76 FR 38416 (2011)) and the Federal Register notice published on June 30, 2011 (76 FR 38416). The remaining lands described in the April 21, 2011, Notice of Amended Proposed Withdrawal, as published in the Federal Register (76 FR 22414), are no longer applicable to the purpose for which the withdrawal was proposed and are hereby cancelled from the application.

The lands cancelled from the application include about 373,852 acres in 7 areas and also near the remaining SEZs. Pursuant to 43 CFR 2091.3–1(e) and 43 CFR 2804.25(e), the segregative effect established by the Federal Register notice published on June 30, 2011 (76 FR 38416) is hereby terminated as to those remaining lands.

Comments including names and street addresses of respondents will be available for public review at the BLM Washington Office at the address noted above, during regular business hours 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
