National Institute of Arthritis and Musculoskeletal and Skin Diseases; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the National Arthritis and Musculoskeletal and Skin Diseases Advisory Council.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Arthritis and Musculoskeletal and Skin Diseases Advisory Council.

Date: February 5, 2013.

Open: 8:30 a.m. to 12:00 p.m.

Agenda: To discuss administrative details relating to the Council's business and special reports.

Place: National Institutes of Health, Building 31, 31 Center Drive, Conference Room 6, Bethesda, MD 20892.

Closed: 1:00 p.m. to 5:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Building 31, 31 Center Drive, Conference Room 6, Bethesda, MD 20892.

Contact Person: Laura K Moen, Ph.D., Director, Division of Extramural Research Activities, NIAMS/NIH, 6701 Democracy Blvd., Ste 800, Bethesda, MD 20892, 301-451-6515, moenl@mail.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: Site Visits With Grantees Integrating HIV Primary Care, Substance Abuse, and Behavioral Health Services—NEW

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting approval to conduct in-person Site Visit Interviews

with Minority AIDS Initiative—Targeted Capacity Expansion (MAI-TCE) Grantees Integrating HIV Primary Care, Substance Abuse, and Behavioral Health Services. This is a new project request targeting the collection of programmatic level data (e.g., services provision, program administration, consumer involvement, evaluation planning, organizational capacity) through one-on-one and group interviews and site assessment surveys with grantee personnel.

The goals of the MAI-TCE project are to facilitate the development and expansion of culturally competent and effective integrated behavioral health and primary care, which include HIV services and medical treatment within 11 of the 12 Metropolitan Statistical Areas (MSAs) and Metropolitan Divisions (MDs) most heavily impacted by HIV/AIDS. The program also supports the integration of behavioral health services (i.e., prevention, treatment, and substance abuse) into the CDC's Enhanced Comprehensive HIV Prevention Plans (ECHPP). Interviews conducted with MAI-TCE grantees during site visits are an integral part of efforts to evaluate: (1) The effectiveness of program implementation across the grantee sites; (2) grantee efforts to integrate behavioral health, substance abuse and HIV care; (3) the variety of program models in use across the grantee sites; and, (4) grantee efforts to engage and successfully reach their target populations.

SAMHSA will conduct a total of two in-person site visits with each of the 11 MAI-TCE program grantees, with surveys being administered prior to each site visit.

SAMHSA will conduct interviews with grantee staff who will provide information on their program's integration of primary care and behavioral health services. While participating in the evaluation is a condition of the grantees' funding, participating in the interview and survey process is voluntary. Both instruments are designed to collect information about: specific program components; HIV testing integration challenges, successes, and lessons learned; HIV care and evidence-based behavioral health services for their specific populations of focus; and engaging consumers in the Behavioral Health and Primary Care Network Committee and other aspects of the project, including how cultural competence is operationalized.

Below is the table of the estimated total burden hours:
