

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)(iii) thereunder.¹¹

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing.¹² However, pursuant to Rule 19b-4(f)(6)(iii),¹³ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program.¹⁴ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the WebCRDSM fees listed on its Fees Schedule. Such fees are collected and retained by the Financial Industry Regulatory Authority, Inc. ("FINRA") via the WebCRDSM registration system for the registration of associated persons of Exchange Trading Permit Holder ("TPH") and TPH organizations that are not also FINRA members. The Exchange merely lists such fees on its Fees Schedule. FINRA recently filed a proposed rule change to increase a number of these fees (the "FINRA Fee Change").³ The FINRA Fee Change increases the FINRA Non-Member Processing Fee from \$85 to \$100, the FINRA Annual System Processing Fee Assessed only during Renewals from \$30 to \$45, and the FINRA Disclosure Processing Fee from \$95 to \$110. The FINRA Fee Change also applies the FINRA Disclosure Processing Fee (which already applied to Form U-4 and U-5 filings and their amendments) to Form BD filings and corresponding amendments.

The FINRA Fee Change also amended FINRA's Fingerprint Processing Fees. In 2012, FINRA only offered one set of fees (\$27.50 for the initial submission, \$13.00 for the second submission, and \$27.50 for the third submission). For 2013, FINRA is offering two sets of fees. For fingerprints submitted on paper card, the fees will be \$44.50 per initial submission, \$30.00 per second submission, and \$44.50 per third submission. For fingerprints submitted electronically, the fees will be \$29.50 per initial submission, \$15.00 per second submission, and \$29.50 per third submission. The FINRA Fee Change also increases from \$13.00 to \$30.00 the fingerprint processing fee for those submitted by TPHs or TPH organizations on behalf of their associated persons who had their prints processed through a self-

regulatory organization other than FINRA.

The proposed fee changes are to be added to the Fees Schedule for January 1, 2013 (while they are not to be implemented until January 2, 2013 (according to the FINRA Fee Change), the Exchange prefers to update its Fees Schedule as of the first day of a given month; moreover, January 1, 2013 is a national holiday and the Exchange is closed, so January 2, 2013 is the first business day on which the proposed fee changes would be effective regardless).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(4) of the Act,⁵ which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities. The proposed fee changes are reasonable from the Exchange's position because the amounts are those provided by FINRA, and the Exchange does not collect or retain these fees. The proposed fee changes are equitable and not unfairly discriminatory from the Exchange's position because the Exchange will not be collecting or retaining these fees, and therefore will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section

19(b)(3)(A)⁶ of the Act and paragraph (f) of Rule 19b-4⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-68429; File No. C2-2012-039]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Proposed Rule Change Related to Bylaw and Other Changes

December 13, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 30, 2012, the Chicago Board Options Exchange, Incorporated ("Exchange" or "C2") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

C2 proposes to: (i) Amend its Bylaws to expressly provide that the Representative Director Nominating Body and any petition candidate must satisfy the compositional requirements determined by the Board from time to time pursuant to a resolution adopted by the Board; (ii) amend its Bylaws relating to the Board size range such that the Board shall consist of not less than 12 and not more than 16 directors; and (iii) make conforming changes to the C2 Certificate of Incorporation. The text of the proposed amendments to C2's Bylaws and C2's Certificate of Incorporation are available on the Exchange's Web site (<http://www.c2exchange.com/Legal/>), at the Exchange's Office of the Secretary and at the Commission's Public Reference Room.

www.c2exchange.com/Legal/), at the Exchange's Office of the Secretary and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to (i) amend C2's Bylaws to expressly state that the Representative Director Nominating Body and any petition candidate must satisfy the compositional requirements determined by the Board from time to time pursuant to a resolution adopted by the Board; (ii) amend its Bylaws relating to the Board size range such that the Board shall consist of not less than 12 and not more than 16 directors; and (iii) make conforming changes to the C2 Certificate of Incorporation.

(1) Compositional Requirements Determined by the Board

Last year, C2 amended its Bylaws and Certificate of Incorporation to, among other things: (i) eliminate the requirement that its Board of Directors be composed of at least 30% Industry Directors, and (ii) eliminate the requirement in Section 3.2 of the Bylaws that the Representative Directors must be Industry Directors.³ In its rule filing, C2 noted that the changes would provide it with appropriate flexibility as it evaluates the structure and

³ The Exchange notes that at all times at least 20% of the directors serving on the Board shall be Representative Directors nominated by the Representative Director Nominating Body as provided in Section 3.2 of the Bylaws (or otherwise selected through the petition process). Under Section 3.2, the Representative Director Nominating Body provides a mechanism for Trading Permit Holders to provide input with respect to the nominees for Representative Directors and Trading Permit Holders are also allowed to nominate alternative candidates by petition.

composition of its Board in the future.⁴ Additionally, C2 stated that no matter what the composition of its Board is, the Exchange intends to maintain the fair representation of its Trading Permit Holders in the selection of its directors and administration of its affairs consistent with Section 6(b)(3) of the Securities Exchange Act of 1934, as amended ("Act"). In approving C2's rule filing, the SEC noted that it has previously approved proposals in which an exchange's board of directors was composed of all or nearly all non-industry directors where the process was nevertheless designed to comply with the "fair representation" requirement in the selection and election of directors.⁵

In connection with these changes, C2 also amended Section 3.1 of the Bylaws to provide that: "[T]he Board shall determine from time to time pursuant to resolution adopted by the Board the total number of directors, the number of Non-Industry Directors and Industry Directors (if any), and the number of Representative Directors that are Non-Industry Directors and Industry Directors (if any)." C2 now proposes to amend the Bylaws to expressly provide that any person nominated by the Representative Director Nominating Body and any petition candidate nominated pursuant to the Section 3.2 of the Bylaws shall satisfy the compositional requirements determined by the Board pursuant to a resolution adopted by the Board in accordance with Section 3.1 designating the number of Representative Directors that are Non-Industry Directors and Industry Directors (if any). C2 also proposes to amend Section 3.5 of the Bylaws relating to the filling of vacancies on the Board to provide that the Representative Director Nominating Body shall only recommend individuals to fill a vacancy in a Representative Director position who satisfy the compositional requirements designated by the Board pursuant to resolution adopted by the Board in accordance with Section 3.1, designating the number of Representative Directors that are Non-Industry Directors and Industry Directors (if any). C2 believes that these changes are consistent with the changes to the Bylaws that were made last year
