AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1a and 1b of Unit II., pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a September 19, 2012 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 2a of Unit II. and an October 7, 2010 **Federal Register** Notice of Receipt of Requests from the registrant listed in Table 2b of Unit II. to voluntarily cancel these product registrations. In the September 19, 2012 and the October 7, 2010 notices, EPA indicated that it would issue an order implementing the cancellations, unless the Agency received substantive comments within the 30 day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency did not receive any comments on the September 19, 2012 notice. The Agency received comments on the October 7, 2010 notice, but none merited its further review of the requests. Further, the registrants did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective December 19, 2012.
