## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5601-N-50]

### Federal Property Suitable as Facilities to Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

#### FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been

reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the

landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Air Force:* Mr. Robert Moore, Air Force Real Property Agency, 143 Billy Mitchell Blvd., San Antonio, TX 78226, (210) 925-3047; *Army:* Ms. Veronica Rines, Department of Army, Office of the Chief of Staff for Installation Management, 600 Army Pentagon, Room 5A128, Washington, DC, 20310, 571-256-8145; *Coast Guard:* Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St. SW., Stop 7901, Washington, DC 20593-0001; (202) 475-5609; *Energy:* Mr. Mark C. #### **SUPPLEMENTARY INFORMATION:**

##### **Introduction**

With this notice, we announce the availability of the final CCP/EIS for the Refuge. We started this process through a notice in the **Federal Register** (74 FR 31046; June 29, 2009). We released the Draft CCP/EIS to the public, and requested comments on it in a notice of availability in the **Federal Register** (77 FR 13141, March 5, 2012).

The Refuge was established by President Theodore Roosevelt in 1908 as the Lake Malheur Bird Reservation, to prevent plume hunters from decimating colonial nesting bird populations. The Refuge protected unclaimed lands encompassed by Malheur, Mud, and Harney Lakes as a preserve and breeding ground for native birds. The Refuge was expanded to include the Blitzen Valley in 1935, and the Double-O Unit in 1941. The Refuge's establishing purposes

include: "A refuge and breeding ground for migratory birds and other wild life" and "for use as an inviolate sanctuary, or for any other management purpose, for migratory birds."

The Refuge consists of more than 187,000 acres of open water (marsh, river, and stream), wetlands, springs, riparian areas, irrigated meadows, grain fields, and shrub-steppe uplands. The Refuge's abundance of water in an otherwise arid landscape attracts a significant portion of the Pacific Flyway's migrating bird population during the spring. The large concentration of migrating birds is recognized in flyway and regional bird conservation plans, and BirdLife International designated the Refuge an Important Bird Area. Populations of breeding waterfowl and waterbirds on Malheur Lake and other Refuge wetlands have, however, dropped substantially from historic levels. This decline is widely attributed to high populations of nonnative common carp living in the lake and in adjacent water bodies. The bottom-feeding carp impacts bird populations by competing for insect and plant food sources, and uprooting vegetation and disturbing silt in ponds and lakebeds. The resulting silt plumes degrade aquatic habitat and interfere with plant and insect production.

We announce the availability of the Refuge's final CCP/EIS in accordance with National Environmental Policy Act (NEPA) 40 CFR 1506.6(b) requirements. We included a thorough analysis of impacts on the human environment in the final CCP/EIS.

The CCP will guide us in managing and administering the Refuge for the next 15 years. Alternative 2, as we described in the final CCP/EIS, is our preferred alternative, and the foundation of the CCP.

##### **Background**

###### *The CCP Process*

The National Wildlife Refuge System Administration Act of 1966, 16 U.S.C. 668dd-668ee (Refuge Administration Act), as amended by the National Wildlife Refuge System Improvement Act of 1997, requires us to develop a CCP for each national wildlife refuge. The purpose for developing a CCP is to provide refuge managers with a 15-year plan for achieving refuge purposes and contributing toward the mission of the National Wildlife Refuge System, consistent with sound principles of fish and wildlife management, conservation, legal mandates, and our policies. In addition to outlining broad management direction for conserving wildlife and
