SUPPLEMENTARY INFORMATION: PBGC’s regulation on Rules for Administrative Review of Agency Decisions (29 CFR part 4003) prescribes rules governing the issuance of initial determinations by PBGC and the procedures for requesting and obtaining administrative review of initial determinations. Certain types of initial determinations are subject to administrative appeals, which are covered in subpart D of the regulation. Subpart D prescribes rules on who may file appeals, when and where to file appeals, contents of appeals, and other matters relating to appeals.

Most appeals filed with PBGC are filed by individuals (participants, beneficiaries, and alternate payees) in connection with benefit entitlement or amounts. A small number of appeals are filed by employers in connection with other matters, such as plan coverage under ERISA section 4021 or employer liability under ERISA sections 4062(b)(1), 4063, or 4064. Appeals may be filed by hand, mail, commercial delivery service, fax or email. For appeals of benefit determinations, PBGC has optional forms for filing appeals and requests for extensions of time to appeal.

OMB has approved the administrative appeals collection of information under control number 1212–0061 through April 30, 2013. PBGC intends to request that OMB extend approval of this collection of information for three years. An agency may not conduct or sponsor, and a person is not required to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Issued in Washington, DC, this 17th day of December 2012.

Judith Starr,
General Counsel, Pension Benefit Guaranty Corporation.

I. Introduction

Notice of filing. On December 14, 2012, the Postal Service filed a notice announcing its intention to change rates for Inbound Air Parcel Post (at Universal Postal Union (UPU) Rates).1

The Notice does not include any classification changes. Id. at 2. The intended effective date of the rate changes is January 1, 2013. The timing of the filing complies with the requirement, in 39 CFR 3015.5, that notice of this type of change be submitted at least 15 days before the effective date.

Background. The Commission approved the Postal Service’s request to add Inbound Air Parcel Post (at UPU Rates) to the competitive product list in Order No. 362, following consideration in Docket No. MC2010–11.2 The request was based on Governors’ Decision No. 09–15. Notice at 1.

II. Contents of Filing

This filing includes a Notice, along with the following attachments:

• Attachment 1—a non-public treatment of material filed under seal;
• Attachment 2—a redacted copy of Governors’ Decision No. 09–15;
• Attachment 3—a redacted copy of the new rates; and
• Attachment 4—a copy of the certification required under 39 CFR 3015.5(c)(2).

The material filed under seal consists of unredacted copies of the referenced Governors’ Decision, the new rates and related financial information. Id. at 3. The Postal Service filed redacted versions of the sealed financial documents in public Excel spreadsheets. Id. at 2.

Classification and rates. The Notice incorporates by reference previous explanations (1) concerning the UPU Postal Operations Council’s mechanism for setting base rates for Inbound Air Parcel Post, and (2) the formal nature of the Governors’ Decision establishing those rates for purposes of statutory compliance. Id.

The Postal Service asserts that the prices comport with the Governors’ Decision No. 09–15 as they are the highest possible inward land rates that the Postal Service is eligible for based on inflation increases and other factors. Id. at 2–3. It also asserts that it has met its burden of providing notice to the Commission of changed rates within the scope of Governors’ Decision No. 09–15, as required by 39 U.S.C. 3632(b)(3). Id. at 3.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Extension:

Rule 17Ad–13; SEC File No. 270–263; OMB Control No. 3235–0275.

Rule 17Ad–13 requires an annual study and evaluation of internal accounting controls under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). It requires approximately 150 registered transfer agents to obtain an annual report on the adequacy of their internal accounting controls from an independent accountant. In addition, transfer agents must maintain copies of any reports prepared pursuant to Rule 17Ad–13 plus any documents prepared to notify the Commission and appropriate regulatory agencies in the event that the transfer agent is required to take any corrective action. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. Small transfer agents are exempt from Rule 17Ad–13 as are transfer agents that service only their own companies’ securities.

Approximately 150 independent, professional transfer agents must file the independent accountant’s report annually. We estimate that the annual internal time burden for each transfer agent to comply with Rule 17Ad–13 by submitting the report prepared by the independent accountant to the Commission is minimal. The time required for the independent accountant to prepare the accountant’s report varies with each transfer agent depending on the size and nature of the transfer agent’s operations. The Commission estimates that, on average, each report can be completed by the independent accountant in 120 hours, resulting in a total of 18,000 external hours annually (120 hours × 150 reports). The burden was estimated using Commission review of filed Rule 17Ad–13 reports and Commission conversations with transfer agents and accountants. The Commission estimates that, on average, 120 hours are needed to perform the study, prepare the report, and retain the required records on an annual basis. Assuming an average hourly rate of an independent accountant of $60, the average total annual cost of the report is $7,200. The total annual cost for the approximate 150 respondents is approximately $1,080,000.

The retention period for the recordkeeping requirement under Rule 17Ad–13 is three years following the date of a report prepared pursuant to the rule. The recordkeeping requirement under Rule 17Ad–13 is mandatory to assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. This rule does not involve the collection of confidential information.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.
