

Agreement, pursuant to the provisions of the Agreement, textile and apparel articles must contain fiber, yarn, and fabric produced in Korea or the United States to receive duty-free tariff treatment. Appendix 4-B-1 of the Agreement will contain a list of specific fiber, yarn, or fabric that either importing Party determined, based on information supplied by interested entities, that the fiber, yarn, or fabric is not available in commercial quantities in a timely manner in its territory, or if no interested entity objects to the request. Textile and apparel articles containing these fibers, yarns, or fabrics would also be entitled to duty-free or preferential duty treatment despite not being produced in Korea or the United States.

The list of commercially unavailable fibers, yarns, and fabrics may be changed pursuant to the commercial availability provision in Chapter 4, Annex 4-B, Paragraphs 1-13 of the Agreement. Under this provision, interested entities from the United States or Korea have the right to request that a specific fiber, yarn, or fabric be added to, or removed from, the list of commercially unavailable fibers, yarns, and fabrics in Appendix 4-B-1.

Section 202(o)(3) of the Act provides that the President may modify the list of fibers, yarns and fabrics in Appendix 4-B-1 by determining whether additional fibers, yarns, or fabrics are not available in commercial quantities in a timely manner in the United States, and that the President will issue procedures governing the submission of requests and providing an opportunity for interested entities to submit comments. The President delegated the responsibility for publishing the procedures and administering commercial availability requests to the Committee for the Implementation of Textile Agreements (CITA), which issues procedures and acts on requests through the U.S. Department of Commerce, Office of Textiles and Apparel (OTEXA).

CITA must collect information about fiber, yarn or fabric technical specifications and the production capabilities of U.S. textile producers to determine whether certain fibers, yarns, or fabrics are available in commercial quantities in a timely manner in the United States, subject to Section 202(o)(3) of the U.S.-Korea Free Trade Agreement Implementation Act.
