

**Targeted Dumping**

The Act allows the Department to employ the average-to-transaction comparison methodology under the following circumstances: (1) There is a pattern of export prices that differ significantly among purchasers, regions, or periods of time; and (2) the Department explains why such differences cannot be taken into account using the average-to-average or transaction-to-transaction methodology. See section 777A(d)(1)(B) of the Act.

For purposes of the final determination, we performed our targeted dumping analysis following the methodology employed in the *Preliminary Determination*, after making certain revisions to Electrolux’s reported U.S. sales data based on verification findings, as enumerated in the “Margin Calculations” section of the Issues and Decision Memorandum. In so doing, we found that the results of our final targeted dumping analysis were generally consistent with those of our preliminary targeted dumping analysis. Therefore, we continued to apply the average-to-average method to all of Electrolux’s U.S. sales in the final determination. See the Memorandum to the File entitled “Final Determination Margin Calculation for Electrolux Home Products Corp., N.V./Electrolux Home Products De Mexico, S.A. de C.V. (collectively “Electrolux”),” dated concurrently with this notice for further discussion.

**Continuation of Suspension of Liquidation**

Pursuant to 735(c)(1)(B) of the Act, we will instruct CBP to continue to suspend liquidation of all entries of subject merchandise from Mexico, entered, or withdrawn from warehouse, for consumption on or after August 3, 2012, the date of publication of the preliminary determination in the **Federal Register**. CBP shall require a cash deposit equal to the estimated amount by which the normal value exceeds the U.S. price as shown below. These instructions suspending liquidation will remain in effect until further notice.

**Final Determination Margins**

The weighted-average dumping margins are as follows:

Exporter/Manufacturer	Weighted-average margin percentage
Electrolux Home Products Corp. NV/Electrolux Home Products De Mexico, S.A. de C.V. ....	36.52
Samsung Electronics Mexico S.A. de C.V. ....	72.41
Whirlpool International S. de R.L. de C.V. ....	72.41
All Others .....	36.52

In accordance with section 735(c)(5)(A) of the Act, the “All Others” rate is derived exclusive of all *de minimis* or zero margins and margins based entirely on adverse facts available. Specifically, this rate is based on the margin calculated for Electrolux in this case.

**Disclosure**

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

**ITC Notification**

In accordance with section 735(d) of the Act, we have notified the ITC of our final determination. As our final determination is affirmative, the ITC will determine within 45 days whether imports of the subject merchandise are causing material injury, or threat of material injury, to an industry in the United States. If the ITC determines that material injury or threat of injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

**Return or Destruction of Proprietary Information**

This notice will serve as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 735(d) and 777(i) of the Act and 19 CFR 351.210(c).

Dated: December 18, 2012.
