SUMMARY: This document withdraws portions of the notice of proposed rulemaking published on September 24, 2009, relating to the payout requirements for Type III supporting organizations that are not functionally integrated. The withdrawal affects Type III supporting organizations that are not functionally integrated. In the Rules and Regulations section of this issue of the Federal Register, the IRS is issuing temporary regulations regarding the requirements to qualify as a Type III supporting organization that is operated in connection with one or more supported organizations. Those regulations reflect changes to the law made by the Pension Protection Act of 2006 and will affect Type III supporting organizations and their supported organizations. The text of those temporary regulations published in this issue of the Federal Register also serves as the text of these proposed regulations.

DATES: Written or electronic comments and requests for a public hearing must be received by March 29, 2013.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG–155929–06), room 5203, Internal Revenue Service, P.O. Box 7604, Ben Franklin Station, Washington, DC 20044. SUPPLEMENTARY INFORMATION:

Background

Final and temporary regulations in the Rules and Regulations section of this issue of the Federal Register contain amendments to the Income Tax Regulations (26 CFR part 1) regarding organizations described in section 509(a)(3) of the Internal Revenue Code (Code), which are known as supporting organizations. The final and temporary regulations provide requirements to qualify as a supporting organization that is operated in connection with one or more supported organizations (called “Type III Supporting Organizations”). Those regulations reflect changes to the law made by the Pension Protection Act of 2006, Public Law 109–280 (120 Stat. 780 (2006)), and will affect Type III supporting organizations and their supported organizations. The text of those temporary regulations also serves as the text of these proposed regulations. The preamble to the final and temporary regulations explains the temporary regulations and those proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13563. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because these regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any electronic comments or written comments (a signed original and eight (8) copies) that are submitted timely to the IRS. The Treasury Department and the IRS request comments on all aspects of the proposed rules. All comments that are submitted by the public will be available for public inspection and copying at www.regulations.gov or upon request. A public hearing may be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the Federal Register.

Drafting Information

The principal authors of these regulations are Preston J. Quesenberry, and Stephanie N. Robbins, Office of Associate Chief Counsel (Tax-Exempt and Government Entities). However, other personnel from the Treasury Department and the IRS participated in their development.

40 CFR Part 52

Approval and Promulgation of Air Quality Implementation Plans; Wisconsin; Milwaukee-Racine Nonattainment Area; Determination of Attainment for the 2006 24-Hour Fine Particle Standard

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: On April 24, 2012, EPA proposed to determine that the Milwaukee-Racine, Wisconsin area had attained the 2006 24-hour fine particle (2006 PM$_{2.5}$) National Ambient Air Quality Standard (NAAQS). EPA received several comments on the original proposal, including one suggesting that the suspension of certain Clean Air Act (CAA) requirements cannot be applied in this instance because it only pertains to the 1997 PM$_{2.5}$ NAAQS and not to the 2006 PM$_{2.5}$ NAAQS. As a result, we are reproposing a narrow portion of our original determination to address this issue. We will address all comments received on the original proposal and this proposal in our final notice.

DATES: Comments must be received on or before January 28, 2013.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R05–OAR–2011–0347, by one of the following methods:

Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov or email. The www.regulations.gov Web site is an “anonymous access” system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through www.regulations.gov your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD–ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.
