SECURITIES AND EXCHANGE COMMISSION

File No. 500–1, Southridge Enterprises, Inc.; Order of Suspension of Trading

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Southridge Enterprises, Inc. (“Southridge”) because of questions regarding the accuracy of statements made by Southridge in press releases to investors concerning, among other things, the company’s business operations and arrangements, including certain claims regarding a joint partnership and an arrangement to obtain funding and to change the listing venue for Southridge stock. Southridge is a Nevada corporation purportedly based in Dallas, Texas, and its stock is currently traded over the counter and quoted on OTC Link under the symbol SRGE.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Southridge.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EST, on December 28, 2012 through 11:59 p.m. EST, on January 11, 2013.

By the Commission.

Elizabeth M. Murphy,
Secretary.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA–2012–0007]

AGENCY: Social Security Administration.

ACTION: Notice of solicitation for collaboration.

SUMMARY: We are seeking information and comments from other Federal agencies’ regarding their intention to use the WHO ICF 1 as a standard for coding functional capacity with broad potential for application to the business processes of other Federal agencies and researchers throughout the world. We invite other interested Federal agencies involved in disability monitoring to collaborate with us to evaluate an ICF-based standard for coding functional capacity in Federal disability programs. We also invite interested public and private parties to comment on appropriate Federal direction on capturing data on functioning.

DATES: To ensure that your comments are considered, we must receive them no later than March 4, 2013.

ADDRESSES: You may submit comments by any one of three methods—Internet, fax, or mail. Do not submit the same comments multiple times or by more than one method. Regardless of which of the following methods you choose, please state that your comments refer to Docket No. SSA–2012–0007 so that we may associate your comments with the correct document.

Caution: You should be careful to include in your comments only information that you wish to make publicly available. We strongly urge you not to include in your comments any personal information, such as Social Security numbers or medical information.

We are studying several uses for ICF coding. We could use it, for example, to describe function in activities of daily living, to describe residual functional capacity (to satisfy a specific set of disability criteria), or to develop a compendium of job descriptions that includes mental and physical functional requirements.

We invite comment on this notice from members of the public and from Federal agencies. We also request that Federal agencies involved in making disability assessments share information with us regarding their review of the ICF as a standard for coding functional capacity, and we invite them to collaborate with us in evaluation of the ICF for use in the business process for Federal disability programs.

Arthur R. Spencer, Associate Commissioner, Office of Disability Programs.
