

clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions. ICE Clear Europe believes that the proposed change with respect to Energy Futures Products is consistent with the requirements of the Act and the rules and regulations thereunder applicable to ICE Clear Europe, in particular, with Section 17A(b)(3)(F),⁸ because improved margining protects investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed change would have any impact, or impose any burden, on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed change have not been solicited or received. ICE Clear Europe will notify the Commission of any written comments received by ICE Clear Europe.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(4)(ii)¹⁰ thereunder because it primarily affects the futures clearing operations of the clearing agency with respect to futures that are not security futures, and does not significantly affect any securities clearing operations of the clearing agency or any related rights or obligations of the clearing agency or persons using such service. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹¹

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>) or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68541; File No. SR-ICEEU-2012-19]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Delivery Margin Rates for Physically Deliverable Contracts for Energy Clearing Members

December 27, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 19, 2012, ICE Clear Europe Limited ("ICE Clear Europe") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposal pursuant to Section 19(b)(3)(A)(iii) of the Act,³ and Rule 19b-4(f)(4)(ii) thereunder,⁴ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the change is to implement enhancements to the margining of physically deliverable positions that have expired and are in tender/delivery. The new delivery margin rates and contingent variation margin price sources have been proposed by ICE Clear Europe. All capitalized terms not defined herein are defined in the ICE Clear Europe Rules.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections A, B, and C below,

of the most significant aspects of these statements.⁵

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In addition to providing clearing services for credit default swaps, ICE Clear Europe also provides clearing services for non-securities contracts in energy and emissions markets ("Energy

Futures Products"). ICE Clear Europe implemented enhancements to the margining of physically deliverable positions for certain Energy Futures Products that have expired and are in tender/delivery. In doing so, ICE Clear Europe has eliminated the use of SPAN for calculating margin for physically-deliverable positions and instead replaced it with calculation of a separate Delivery Margin for certain Energy Futures Products. The Delivery Margin

parameters can be found at <https://www.theice.com/ClearEuropeSpanParameterFiles.shtml> in the Deliverable Contracts Security Rates file. All of the SPAN^{®6} margin parameters for positions that are not in tender/delivery remain unchanged.

Data from the sources referenced below will be used in connection with the Contingent Variation Margin calculations.

The mid-prices are used and calculated where only bid and offer prices are available. Rounding conventions will be the same as those that currently apply to the relevant future contracts.

Section 17A(b)(3)(F) of the Act⁷ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions. ICE Clear Europe believes that the proposed change with respect to Energy Futures Products is consistent with the requirements of the Act and the rules and regulations thereunder applicable to ICE Clear Europe, in particular, with Section 17A(b)(3)(F),⁸ because enhancements to the margining of physically deliverable positions for certain Energy Futures Products that have expired and are in tender/delivery protects investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed change would have any impact, or impose any burden, on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed change have not been solicited or received. ICE Clear Europe will notify the Commission of any written comments received by ICE Clear Europe.

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(4)(ii)¹⁰ thereunder because it primarily affects the futures clearing operations of the clearing agency with respect to futures that are not security futures, and does not significantly affect any securities clearing operations of the clearing agency or any related rights or obligations of the clearing agency or persons using such service. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68538; File No. SR-NYSE-2012-71]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Price List To Waive Certain Fees for Floor Brokers for November and December 2012

December 27, 2012.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that December 17, 2012, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to provide relief for Floor brokers from the Annual Telephone Line Charge and the Annual Fee for November and December 2012, which the Exchange proposes to become operative as of November 1, 2012. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to provide relief for Floor brokers from the Annual Telephone Line Charge and the Annual Fee for November and December 2012, which the Exchange proposes to become operative as of November 1, 2012.

Currently, member organizations are charged an Annual Telephone Line Charge of \$400 per phone number. The Exchange proposes to waive the fee for Floor brokers for November and December 2012 on a prorated basis because Hurricane Sandy affected the ability of Floor brokers to communicate with customers from the Floor.

The Exchange has been advised by its third-party carrier that the damage to the telephone connections is very extensive, and as a result, the telephone line connections for Floor brokers still are not fully operational and may not be so for at least another month, and possibly longer, given the type of work that needs to be completed to restore the telephone services. In particular, the Exchange notes that the telephone lines that support both the wired and wireless connections for Floor brokers are based in an area of lower Manhattan that

suffered extensive damage as a result of Hurricane Sandy. The type of damage that was sustained will require the third-party carrier to rebuild the infrastructure that supports the telephone services, rather than engage in repairs of the existing lines.⁴ In addition to the damage to telephone lines, internet bandwidth has been reduced considerably. The Exchange notes that it is waiving the fee for Floor brokers only because off-Floor member firms were not impacted by these services. In addition, DMMs are on the Floor but do not engage in an agency business with customers from the Floor and, therefore, were not impacted by the telecommunications issues. The proposed waiver would be \$33.33 for each month.

Currently, member organizations are charged an Annual Fee of \$40,000 per license (the equivalent of \$3,333.33 per month) for the first two licenses held by a member organization and \$25,000 per license (the equivalent of \$2,083.33 per month) for additional licenses held by a member organization. The Exchange proposes to provide a monthly credit of \$2,000 for the first and second Floor broker licenses held by a member organization and a monthly credit of \$500 for each additional Floor broker license held by a member organization for November and December 2012 because of the impact of Hurricane Sandy on Floor brokers. For example, a member organization with only one Floor broker license would receive a \$2,000 credit in November and December 2012, and a member organization with three Floor broker licenses would receive a total of \$4,500 in credits for November and December 2012.

As stated above, Hurricane Sandy had a disproportionate impact on Floor brokers compared with off-Floor member firms and DMMs, including limited telephone service, no direct customer telephone lines, limited Internet service, intermittent cellular telephone service at the Exchange, and

⁴ The Exchange filed a rule change to temporarily suspend those aspects of Rules 36.20, 36.21, and 36.30 that would not permit Floor brokers and Designated Market Makers ("DMMs") to use personal portable phone devices on the Floor following the aftermath of Hurricane Sandy and during the period that phone service was not fully functional. See Securities Exchange Act Release No. 68137 (November 1, 2012), 77 FR 66893 (November 7, 2012) (SR-NYSE-2012-58). The temporary suspension was subsequently extended for Floor brokers and DMMs, and again extended for Floor brokers after the Exchange was able to restore service for DMMs. See Securities Exchange Act Release No. 68161 (November 5, 2012), 77 FR 67704 (November 13, 2012) (SR-NYSE-2012-61) and File No. SR-NYSE-2012-64.
