SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68553; File No. SR-FICC-2012-10]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Remove the Fee Related to the DTCC GCF Repo Index® From the Fee Structure of the Government Securities Division

December 31, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder² notice is hereby given that on December 21, 2012 Fixed Income Clearing Corporation (“FICC”) filed with the Securities and Exchange Commission (“Commission”) the proposed change as described in Items I and II below, which Items have been prepared primarily by FICC. The Commission is publishing this notice to solicit comments on the proposed change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FICC proposes to remove the fee related to the DTCC GCF Repo Index® from the Fee Structure of the Government Securities Division. The text of the proposed rule change was filed with the Commission as Exhibit 5 to the filing.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any

comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.³

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of this filing is to discontinue the \$250.00 monthly fee that GCF Repo® participants are required to pay in connection with the DTCC GCF Repo Index®.

On October 18, 2010, FICC filed SR-FICC 2010-07⁴ which permitted FICC to charge a monthly fee of \$250 to all GCF Repo® participants. This fee covered the development and maintenance costs of the DTCC GCF Repo Index®. Because DTCC and NYSE Liffe have entered into an agreement whereby NYSE Liffe agrees to list futures based on the DTCC GCF Repo Index®, it is no longer necessary for FICC to charge a monthly fee to the GCF Repo® participants. As a result, the fee will be discontinued as of January 2, 2013 and the GSD Fee Structure will be revised to reflect this change.

FICC believes that the proposed rule is consistent with the Act and the rules and regulations promulgated thereunder because it promotes the prompt and accurate clearance and settlement of securities transactions by helping ensure that participants are not charged unnecessary fees.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

FICC does not believe that the proposed rule change would impose any burden on competition.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change have not been solicited or received. FICC will notify the Commission of any other written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section

19(b)(3)(A)(ii) of the Act⁵ and Rule 19b-4(f)(2)⁶ thereunder because they constitute a change a due, fee, or other charge applicable only to a member. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.⁷

Chicago Board Options Exchange, Incorporated Rules

Rule 6.42. Minimum Increments for Bids and Offers

The Board of Directors may establish minimum increments for options traded on the Exchange. When the Board of

Directors determines to change the minimum increments, the Exchange will designate such change as a stated policy, practice, or interpretation with respect to the administration of Rule 6.42 within the meaning of subparagraph (3)(A) of subsection 19(b) of the Exchange Act and will file a rule change for effectiveness upon filing with the Commission. Until such time as the Board of Directors makes a change to the minimum increments, the following minimum increments shall apply to options traded on the Exchange:

(1) No change.

(2) No change.

(3) The decimal increments for bids and offers for all series of the option classes participating in the Penny Pilot Program are: \$0.01 for all option series quoted below \$3 (including LEAPS), and \$0.05 for all option series \$3 and above (including LEAPS). For QQQs, IWM, and SPY, the minimum increment is \$0.01 for all option series. The Exchange may replace any option class participating in the Penny Pilot Program that has been delisted with the next most actively-traded, multiply-listed option class, based on national average daily volume in the preceding six calendar months, that is not yet included in the Pilot Program. Any replacement class would be added on the second trading day following [July 1, 2012] *January 1, 2013*. The Penny Pilot shall expire on [December 31, 2012] *June 30, 2013*.

(4) No change.

* * * *Interpretations and Policies:*

.01-.03 No change.

The text of the proposed rule change is also available on the Exchange’s Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Penny Pilot Program (the “Pilot Program”) is scheduled to expire on December 31, 2012. CBOE proposes to extend the Pilot Program until June 30, 2013. CBOE believes that extending the Pilot Program will allow for further analysis of the Pilot Program and a determination of how the Pilot Program should be structured in the future.

During this extension of the Pilot Program, CBOE proposes that it may replace any option class that is currently included in the Pilot Program and that has been delisted with the next most actively traded, multiply listed option class that is not yet participating in the Pilot Program (“replacement class”). Any replacement class would be determined based on national average daily volume in the preceding six months,⁴ and would be added on the second trading day following January 1, 2013. CBOE will employ the same parameters to prospective replacement classes as approved and applicable in determining the existing classes in the Pilot Program, including excluding high-priced underlying securities.⁵ CBOE will announce to its Trading Permit Holders by circular any replacement classes in the Pilot Program.

CBOE is specifically authorized to act jointly with the other options exchanges participating in the Pilot Program in identifying any replacement class.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation

⁴ The month immediately preceding a replacement class’s addition to the Pilot Program (*i.e.* December) would not be used for purposes of the six-month analysis. Thus, a replacement class to be added on the second trading day following January 1, 2013 would be identified based on The Option Clearing Corporation’s trading volume data from June 1, 2012 through November 30, 2012.
