

Under the proposed Decree, the Transocean Defendants will pay a \$1 billion civil penalty. The proposed Decree does not conclude any claim against the Transocean Defendants other than those claims for penalty specified in the proposed Decree. The proposed Decree also does not resolve any claim brought against other defendants in this civil enforcement action.

Also under the proposed Decree, the Transocean Defendants must comply with court-enforceable strictures aimed at reducing the chances of another blowout-and-discharge-of-oil and at improving emergency response capabilities. Examples of these requirements include: Certifications of maintenance and repair of blowout preventers before each drilling job, consideration of process safety risks, and personnel training related to oil spills and responses to other emergencies. The Transocean Defendants will have to meet these requirements for at least five years on all their drilling operations in waters near the United States.

The Department of Justice will receive for a period of twenty-one (21) calendar days from the date of this publication comments relating to the proposed Decree. The 21-day period (and not a longer period of time) is provided to ensure both a proper public comment period and an opportunity for the Department of Justice to receive, consider, and address public comments before the first phase of the civil trial, scheduled to begin on February 25, 2013, before the United States District Court for the Eastern District of Louisiana. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either emailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *U.S. v. BP Exploration and Production et al*, Civil No. 10-4536 (E.D. La.)
