Privacy Act of 1974; Computer Matching Program Between the Office Of Personnel Management and Social Security Administration

AGENCY: Office of Personnel Management (OPM).

AGENCY: Notice-computer matching between the Office of Personnel Management and the Social Security Administration (CMA 1071).

DATES: OPM will file a report of the subject matching program with the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Oversight and Government Reform of the House of Representatives, and the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). The matching program will
begin 30 days after the Federal Register notice has been published or 40 days after the date of OPM's submissions of the letters to Congress and OMB, whichever is later. The matching program will continue for 18 months from the beginning date and may be extended an additional 12 months thereafter. Subsequent matches will run until one of the parties advises the other in writing of its intention to reevaluate, modify, and/or terminate the agreement.

**ADDRESSES:** Send comments to Marc Flaster, Chief, Resource Management, Retirement Services, Office of Personnel Management, Room 4332, 1900 E. Street NW., Washington, DC 20415.

**FOR FURTHER INFORMATION CONTACT:** Bernard A. Wells III on (202) 606–2730.

**SUPPLEMENTARY INFORMATION:**

**General**

The Privacy Act (5 U.S.C. 552a), as amended, establishes the conditions under which computer matching involving the Federal government could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101–508) further amended the Privacy Act regarding protections for such individuals. The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. Among other things, it requires Federal agencies involved in computer matching programs to:

Negotiate written agreements with the other agency for agencies participating in the matching programs;

Obtain the approval of the match agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

Furnish detailed reports about matching programs to Congress and OMB;

Notify applicants and beneficiaries that their records are subject to matching;

Verify match findings before reducing, suspending, termination or denying an individual’s benefits or payments.

**B. OPM Computer Matches Subject to the Privacy Act**

We have taken action to ensure that all of OPM’s computer matching programs comply with the requirements of the Privacy Act, as amended.

**Notice of Computer Matching Program, Office of Personnel Management (OPM)**

With the Social Security Administration (SSA)

**Participating agencies:** OPM and SSA

**B. Purpose of the Matching Program**

The purpose of this agreement is to establish the terms, conditions and safeguards for disclosure of Social Security benefit information to OPM via direct computer link for the administration of certain programs by OPM’s Retirement Services. OPM is legally required to offset specific benefits by a percentage of benefits (i.e. Disability Annuitants, Children Survivor Annuitants and Spousal Survivor Annuitants) payable under Title II of the Social Security Act. This matching activity will enable OPM to compute benefits at the correct rate and determine eligibility for these benefits.

**C. Authority for Conducting the Matching Program**

Section 8461 (h) of title 5 of the United States Code.

**D. Categories of Records and Individuals Covered by the Match**

Under the matching program, OPM will match SSA’s disability insurance benefits (DIB) and payment date against OPM’s records of retirees receiving a FERS disability annuity. The purpose of the matching program is to identify a person receiving both a FERS disability annuity and a DIB under Section 223 of the Social Security Act, 42 U.S.C. 423, in order to apply OPM offsets. Under FERS, 5 U.S.C. 8452(a)(2)(A), for any month in which an annuitant is entitled to both a FERS disability annuity and to a DIB, the FERS annuity shall be computed as follows: The FERS disability annuity is reduced, for any month during the first year after the individual’s FERS disability annuity commences or is restored, by 100% of the individual’s assumed Social Security DIB for such month, and, for any month occurring during a period other than the period described above, by 60% of the individual’s assumed Social Security DIB for such month.

OPM will provide SSA with an extract from the Annuity Master File and from pending claims snapshot records via the File Transfer Management System (FTMS). The extracted file will contain identifying information concerning the child survivor annuitant for whom OPM needs information concerning receipt of SSA child survivor benefits: full name, Social Security Number, date of birth, and type of information requested, as required to extract data from the SSA State Verification and Exchange System Files for Title II records. Each record on the OPM file will be matched to SSA’s records to identify FERS child survivor annuitants who are receiving SSA CBJS. The SSA systems of records involved in this CMA are the Master Files of Social Security Number Holders and SSN Applications (Numident), 60–0058 and the MBR, 60–0090. OPM’s system of records involved in this matching program is designated OPM/Central-1, Civil Service Retirement and Insurance Records. For records from OPM/Central-1, notice was provided by the publication of the system of records in the Federal Register at 64 FR 54930 (Oct. 8, 1999), as amended at 65 FR 2772 (May 3, 2000), updated at 72 FR 60041 (October 23, 2007), and amended at 73 FR 15013 (March 20, 2008).

OPM’s records of surviving spouses who may be eligible to receive the FERS Supplementary Annuity will be matched against SSA’s mother or father’s insurance benefit and/or disabled widow(er)’s insurance benefit records. If the surviving spouse is receiving one of the above described Social Security benefits, he or she is not eligible to receive the FERS Supplementary Annuity. FERS, 5 U.S.C. 8442 (f) provides that a survivor who is entitled to a survivor’s annuity and who meets certain other statutory requirements shall also be entitled to a Supplementary Annuity. To be eligible to receive a Supplementary Annuity for a given month, the surviving spouse of a deceased FERS annuitant must be eligible for a FERS survivor annuity, be under age 60, be an individual who would be entitled to widow’s or widower’s insurance benefits under the requirements of sections 202(e) and 402(f), based on the wages and self-employment survivor had attained age 60 and otherwise satisfied necessary requirements for widow’s or widower’s insurance benefits. See 5 U.S.C. 8442(f)(4)(B). The individual must not be eligible for Social Security mother’s or father’s insurance benefits or disabled widow’s or widower’s insurance benefits based on the deceased annuitant’s wages and self-employment income.

**E. Privacy Safeguards and Security**

The Privacy Act (5 U.S.C. 552a(a)(I)(G) requires that each matching agreement specify procedures for ensuring the administrative, technical, and physical security of the records matched and the results of such programs. All Federal agencies are subject to the Federal Information Security Management Act of 2002 (FISMA) (44 U.S.C. 3541 et seq.); related
OMB circulars and memorandum (e.g. OMB Circular A–130 and OMB M–06–16); National Institute of Science and Technology (NIST) directives; and the Federal Acquisition Regulations (FAR). These laws, circulars, memoranda, directives and regulations include requirements for safeguarding Federal information systems and personally identifiable information used in Federal agency business processes, as well as related reporting requirements. OPM and SSA recognize that all laws, circulars, memoranda, directives, and regulations relating to the subject of this agreement and published subsequent to the effective date of this agreement must also be implemented if mandated.

FISMA requirements apply to all Federal contractors and organizations or sources that process or use Federal information, or that operate, use, or have access to Federal information systems on behalf of an agency. OPM will be responsible for oversight and compliance of their contractors and agents. Both OPM and SSA reserve the right to conduct onsite inspection to monitor compliance with FISMA regulations.

F. Inclusive Dates of the Match

The matching program shall become effective upon signing of the agreement by both parties to the agreement and approval of the agreement by the Data Integrity Boards of the respective agencies, but no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget or 30 days after publication of this notice in the Federal Register, whichever is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.

Director.

I. Introduction

Notice of filing. On January 9, 2013, the Postal Service filed a notice announcing that it is entering into an additional Global Plus 1C contract (Agreement). The Postal Service seeks to have the Agreement included within the Global Plus 1C product on the grounds of functional equivalence to a previously approved baseline agreement. Id. at 2.

Product history. The Commission added Global Plus 1C to the competitive product list by operation of Order No. 1151. It concurrently designated the agreements filed in companion Docket Nos. CP2012–12 and CP2012–13 as the baseline agreements for purposes of establishing the functional equivalency of other agreements proposed for inclusion with the Global Plus 1C product. Id. at 7. The Agreement that is the subject of this filing is the immediate successor to the agreement approved in Docket No. CP2012–13. Notice at 4.

Customers for Global Plus 1C contracts are Postal Qualified Wholesalers (PQWs) and other large businesses that offer mailing services to end users for shipping articles via International Priority Airmail, International Surface Air Lift, Global Express Guaranteed, Express Mail International, Priority Mail International, and/or Commercial ePacket service. Id. at 3.

II. Contents of Filing

The filing includes the Notice, along with the following attachments:

• Attachment 1—a redacted copy of the Agreement;
• Attachment 2—a redacted copy of the certification required under 39 CFR 3015.5(c)(2);
• Attachment 3—a redacted copy of Governors’ Decision No. 11–6; and
• Attachment 4—an application for non-public treatment of material filed under seal.

The material filed under seal consists of unredacted copies of the Agreement and supporting financial documents. Id. at 2. The Postal Service filed redacted versions of the sealed financial documents in public Excel spreadsheets. Id. at 3.

Functional equivalency. The Postal Service asserts that the instant Agreement and the baseline agreements are functionally equivalent because they share similar cost and market characteristics. Id. at 4. It notes that the pricing formula and classification established in Governors’ Decision No. 08–8 ensure that each Global Plus 1C contract meets the criteria of 39 U.S.C. 3633 and related regulations. Id. at 4–5. The Postal Service also indicates that the pricing formula relied on for these Global Plus 1C contracts is included in Governors’ Decision No. 11–6. Id. at 5. The Postal Service further asserts that the functional terms of the two agreements are the same and the benefits are comparable. Id.

The Postal Service states that prices may differ, depending on when an agreement is signed, due to updated costing information. Id. at 6. It also identifies other differences in contractual terms, but asserts that the differences do not affect either the fundamental service being offered or the fundamental structure of the Agreement. Id. at 5–6.

Effective date; term. The scheduled effective date of the Agreement is January 27, 2013. Id. at 3; Attachment 1 at 10. The Agreement is expected to be in effect for approximately 1 year.
