HUD in determining an applicant’s eligibility and the capacity to carry out a successful conversion of a project or make the necessary emergency repairs. A careful evaluation of the application is conducted to ensure that the Federal Government’s interest is protected and to mitigate any possibilities of fraud, waste, or misuse of public funds. The purpose of collecting the application submission information is for the Department to assess the applicant’s worthiness, whether the projects meet statutory and regulatory requirements, or make sound judgments regarding the potential risk to the Government.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 805. The number of respondents is 31, the number of responses is 532, and the frequency of response is on yearly basis for the ALCP and for the ECRP is on as-submitted basis until exhaustion of funds.

Status of the proposed information collection: Extension of a currently approved collection.

Laura M. Marin,
Acting General Deputy Assistant Secretary for Housing-Acting General Deputy Federal Housing Commissioner.
