BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Membership in the National Parks Overflights Advisory Group Aviation Rulemaking Committee

AGENCY: Federal Aviation Administration, Department of Transportation.

ACTION: Notice.

SUMMARY: By **Federal Register** notice (See 77 FR 27835–27836, May 11, 2012 and 77 FR 48201, August 13, 2012) the National Park Service (NPS) and the Federal Aviation Administration (FAA) invited interested persons to apply to fill one upcoming opening on the National Parks Overflights Advisory Group (NPOAG) Aviation Rulemaking Committee (ARC). The notice invited interested persons to apply to fill a vacancy representing environmental concerns due to the incumbent

member's completion of a three-year term appointment on October 9, 2012. Since the previous notices did not draw enough responses from individuals for the open environmental vacancy, NPS and FAA are using this notice to invite other interested individuals to apply for the environmental opening. If you responded to either of the initial notices for the environmental opening, you will still be under consideration and need not re-apply. This notice also informs the public of another upcoming opening to represent commercial air tour operator interests due to an incumbent member's completion of a three-year term appointment on May 19, 2013.

DATES: Persons interested in applying for the NPOAG openings representing environmental concerns and commercial air tour operator interests need to apply by February 22, 2013.

FOR FURTHER INFORMATION CONTACT: Keith Lusk, Special Programs Staff, Federal Aviation Administration, Western-Pacific Region Headquarters, P.O. Box 92007, Los Angeles, CA 90009–2007, telephone: (310) 725–3808, email: Keith.Lusk@faa.gov.

SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106–181. The Act required the establishment of the advisory group within 1 year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides “advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental,
