Additions

On 11/27/2012 (77 FR 70737-70738), the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agency to furnish the products and impact of the addition on the current or most recent contractors, the Committee has determined that the products listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

other compliance requirements for small entities other than the small organization that will furnish the products to the Government.

2. The action will result in authorizing small entities to furnish the products to the Government.
