

structured to maximize an applicant's ability to complete the form satisfactorily, taking into account the characteristics of individuals who qualify for the programs. A State may develop and use its own single streamlined application if approved by the Secretary in accordance with section 1413 and if it meets the standards established by the Secretary.

Section 155.405(a) of the Exchange Final Rule (77 FR 18310) provides more detail about the application that must be used by the Exchange to determine eligibility and to collect information necessary for enrollment. The regulations in § 435.907 and § 457.330 establish the requirements for State Medicaid and CHIP agencies related to the use of the single streamlined application. CMS is designing the single streamlined application to be a dynamic online application that will tailor the amount of data required from an applicant based on the applicant's circumstances and responses to particular questions. The paper version of the application will not be able to be tailored in the same way but is being designed to collect only the data required to determine eligibility. Individuals will be able to submit an application online, through the mail, over the phone through a call center, or in person, per § 155.405(c)(2) of the Exchange Final Rule, as well as through other commonly available electronic means as noted in § 435.907(a) and § 457.330 of the Medicaid Final Rule. The application may be submitted to an Exchange, Medicaid or CHIP agency.

The online application process will vary depending on each applicant's circumstances, their experience with health insurance applications and online capabilities. The goal is to solicit sufficient information so that in most cases no further inquiry will be needed. We estimate that on average it will take approximately .50 hours (30 minutes) to complete for people applying for Insurance Affordability Programs. It will take an estimated .25 hours (15 minutes) to complete without consideration for Insurance Affordability Programs. We expect approximately 7,840,477 applications to be submitted for Insurance Affordability Programs between 2014 and 2016. The total burden is estimated to be 5,548,859 cumulative burden hours. We estimate 1,265,823 applications to be submitted online without consideration for Insurance Affordability Programs between 2014 and 2016, resulting in 284,281 cumulative burden hours. The paper application process will take approximately .75 hours (45 minutes) to complete for those applying for

Insurance Affordability Programs and .33 hours (20 minutes) for those applying without consideration for Insurance Affordability Programs. We expect approximately 784,048 applications to be submitted for Insurance Affordability Programs on paper in 2014 through 2016 for a cumulative total of 588,035 burden hours. We estimate 126,583 applications will be submitted without consideration for Insurance Affordability Programs from 2014 through 2016. Total burden hours are expected to be 41,772 burden between 2014 and 2016.

CMS received approximately 65 public comments in response to the 60 day notice. These comments addressed a range of topics, including the application process, paper and/or online accessibility, processes for verifying information, privacy and security of information, and the types of questions or data elements that should be included. CMS made significant changes to the application materials, namely moving from categories of data elements to completed draft applications. Because of the significant changes throughout, it is not feasible to list each individual change.

CMS also adjusted the burden estimates due to changes in coverage estimates due to Congressional Budget Office revisions from July 2012. The expected number of applications between 2014–2016 has increased to 7,840,477 from 7,700,260; the estimated burden hours have increased from 5,548,859 to 1,812,230. *Form Number:* CMS–10440 (OCN: 0938–NEW); *Frequency:* Once per year; *Affected Public:* Individuals and Households; *Number of Respondents:* 3,035,434; *Total Annual Responses:* 3,035,434; *Total Annual Hours:* 1,085,944 hours. (For policy questions regarding this collection contact Hannah Moore at 301–492–4232. For all other issues call 410–786–1326.)

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS Web Site address at <http://www.cms.hhs.gov/PaperworkReductionActof1995>, or Email your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov, or call the Reports Clearance Office on (410) 786–1326.

To be assured consideration, comments and recommendations for the proposed information collections must be received by the OMB desk officer at the address below, no later than 5 p.m. on February 28, 2013.

OMB, Office of Information and Regulatory Affairs, Attention: CMS Desk Officer, Fax Number: (202) 395–6974, Email: OIRA_submission@omb.eop.gov.

Dated: January 22, 2013.

Martique Jones,

Deputy Director, Regulations Development Group, Office of Strategic Operations and Regulatory Affairs.

BILLING CODE 4120–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA–2012–N–0012]

Statement of Organization, Functions, and Delegations of Authority

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug Administration (FDA), Office of Foods has modified its structure and reorganized to the Office of Foods and Veterinary Medicine (OFVM). This new organizational structure was approved by the Secretary of Health and Human Services on July 20, 2012, and implemented on October 1, 2012.

FOR FURTHER INFORMATION CONTACT:

Erik Mettler, Office of Foods and Veterinary Medicine, Food and Drug Administration, 10903 New Hampshire Ave., Silver Spring, MD 20993, 301–796–4500.

SUPPLEMENTARY INFORMATION:

I. Summary

Part D, Chapter D–B (Food and Drug Administration), Statement of Organization, Functions, and Delegations of Authority for the Department of Health and Human Services (35 FR 3685, February 25, 1970; 60 FR 56605, November 9, 1995; 64 FR 36361, July 6, 1999; 72 FR 50112, August 30, 2007; 74 FR 41713, August 18, 2009; and 76 FR 45270, July 28, 2011) is amended in recognition of the fact that most of the work of the Center for Food Safety and Applied Nutrition and the Center for Veterinary Medicine affects the food system as a whole and requires an integrated approach, FDA has modified the Office of Foods structure and reorganized to the OFVM. This reorganization will allow for effective implementation of the new, risk-based mandates of the FDA Food Safety Modernization Act (Pub. L. 111–353) and the demand the law places on FDA for an integrated implementation

effort and a systematic approach to risk-based priority setting and resource allocation. This reorganization is explained in Staff Manual Guides 1160.1, 1160.10, 1160.20, 1230.1, and 1241.1.

The Food and Drug Administration, OVFM has been restructured as follows:

DJJ. ORGANIZATION—OVFM is headed by the Deputy Commissioner for Foods and Veterinary Medicine and includes the following organizational units:

Office of Foods and Veterinary Medicine

Communications and Public Engagement Staff

Executive Secretariat Staff

Office of Coordinated Outbreak Response and Evaluation Network

Prevention Staff

Response Staff

Office of Resource Planning and Strategic Management

Strategic Planning and Budget Formulation Staff

Risk Analytics Staff

Center for Food Safety and Applied Nutrition

Center for Veterinary Medicine

II. Delegations of Authority

Pending further delegation, directives, or orders by the Commissioner of Food and Drugs, all delegations and redelegations of authority made to officials and employees of affected organizational components will continue in them or their successors pending further redelegations, provided they are consistent with this reorganization.

III. Electronic Access

Persons interested in seeing the complete Staff Manual Guide can find it on FDA's Web site at: <http://www.fda.gov/AboutFDA/ReportsManualsForms/StaffManualGuides/default.htm>.

Dated: January 24, 2013.

Leslie Kux,

Assistant Commissioner for Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Request for Information (RFI): Opportunities To Apply a Department of Health and Human Services Message Library To Advance Understanding About Toddler and Preschool Nutrition and Physical Activity

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Notice.

SUMMARY: This Request for Information (RFI) solicits ideas and information related to ways in which the U.S. Department of Health and Human Services (HHS) can work with interested partners to disseminate and apply a library of short, evidence-based messages known as TXT4Tots. This library of brief informational nutrition and physical activity focused messages was developed and tested by the American Academy of Pediatrics (AAP) under a cooperative agreement with the Health Resources and Services Administration (HRSA). The TXT4Tots library is targeted to parents and caregivers of children, ages 1–5 years, and is available in both English and Spanish. Content for the messages was derived from AAP's "Bright Futures: Guidelines for Health Supervision of Infants, Children, and Adolescents," which uses a developmentally based approach to address children's health needs in the context of family and community. The name TXT4Tots describes the library of developed messages and does not necessarily imply the need for dissemination through mobile, Short Message Service messaging.

HRSA is issuing this RFI to solicit information and ideas on how to effectively incorporate the TXT4Tots library of messages into a wide variety of existing public and private programs and products that can best meet the needs of parents, caregivers, and child advocates, including health care providers. We recognize there are multiple ways this can occur and, therefore, are seeking input on how the TXT4Tots message library could be maximized to advance understanding about toddler and preschool nutrition and physical activity, and the interests of potential partners in working with HHS to do so. The intent is to build upon current programs, policies, and infrastructure to enhance education, disseminate the TXT4Tots message

library, and leverage existing programs in innovative ways, particularly to support outreach to underserved communities where access to health education may be limited. The goal is to ensure that the TXT4Tots library of messages remains publicly available at no cost for noncommercial purposes. In addition to this RFI for written comments, HRSA intends to host a short, in-person forum in Washington, DC, to hear proposed comments from the public. Participation in the forum will also be possible through a dedicated conference call line and webinar capabilities. Further details on the forum are described below.

DATES: Written and electronic responses should be submitted to HRSA on or before Tuesday, February 19, 2013, at 5 p.m. EST at the address listed below.

ADDRESSES: You may submit comments by one of the following methods:

- Electronic responses should be addressed to ohitq@hrsa.gov using the title "Response to RFI" in the subject line.
- Written responses should be addressed to the Department of Health and Human Services, Health Resources and Services Administration, Attention: Response to RFI, Suite 7–100, 5600 Fishers Lane, Rockville, Maryland 20857.

- A copy of this RFI will also be available at www.hhs.gov/open.

The submission of written materials in response to the RFI should not exceed eight double-spaced pages, not including appendices and supplemental documents. Responders may submit other forms of electronic materials to demonstrate or exhibit concepts of their written responses. Any information you submit will be made public. Consequently, do not send proprietary, commercial, financial, business confidential, trade secret, or personal information that you do not wish to be made public. Responses to this RFI will be available to the public at HRSA, 5600 Fishers Lane, Rockville, Maryland 20857. Please email ohitq@hrsa.gov to arrange access.

FOR FURTHER INFORMATION CONTACT: Yael Harris, Ph.D., Health Resources and Services Administration, Office of Special Health Affairs, Office of Health Information Technology and Quality, 5600 Fishers Lane, Room 7–100, Rockville, Maryland 20857, or email yharris@hrsa.gov.

SUPPLEMENTARY INFORMATION:

Instructions for Participating in Public Forum: An in-person forum will take place on February 20, 2013, from 1–3 p.m. EST. Opportunities for public comment will be made available the day
