

business as defined by the Small Business Act. This information assists regional staff in preparing initial and final regulatory flexibility analyses (IRFA/FRFA) analyses required as part of various rulemakings.

In addition, NMFS anticipates making a minor change to the certification statement on the ownership interest, transfer and renewal forms to be consistent with other certification statements given on other forms. Specifically, the certification statement will include a clause that the individual making the certification (signing the form) is authorized to do so.

II. Method of Collection

Renewal forms are mailed to all permit owners and they may respond by mail or request access from NOAA Fisheries (user ID and password) to renew using the online permit renewal system. Ownership interest forms and permit transfer forms are available from the region's Web site but must be submitted to NOAA Fisheries by mail or in person. Applications for an exempted fishing permit must be submitted in a written format. The exempted fishing permit data reports may be submitted in person, faxed, submitted by telephone or emailed by the monitor, plant manager, vessel owner or operator to NOAA Fisheries or the states of Washington, Oregon, or California.
