SUPPLEMENTARY INFORMATION:

I. Background

The Department of Labor, as part of its continuing effort to reduce paperwork and respondent (i.e., employer) burden, conducts a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the Paperwork Reduction Act of 1995 (PRA–95) (44 U.S.C. 3506(c)(2)(A)). This program ensures that information is in the desired format, reporting burden (time and costs) is minimal, collection instruments are clearly understood, and OSHA’s estimate of the information collection burden is accurate. The Occupational Safety and Health Act of 1970 (the OSH Act) (29 U.S.C. 651 et seq.) authorizes information collection by employers as necessary or appropriate for enforcement of the OSH Act or for developing information regarding the causes and prevention of occupational injuries, illnesses, and accidents (29 U.S.C. 657).

Subpart I specifies several paperwork requirements. The following describes the information collection requirements in subpart I and addresses who will use the information.

Hazard Assessment and Verification (§ 1910.132(d))

Paragraph (d)(1) requires employers to perform a hazard assessment of the workplace to determine if hazards are present, or likely to be present, that make the use of personal protective equipment (PPE) necessary. Where such hazards are present, employers must communicate PPE selection decisions to each affected employee (paragraph (d)(1)(iii)).

Paragraph (d)(2) requires employers to certify in writing that they have performed the hazard assessment. The certification must include the date and the person certifying that the hazard assessment was conducted, and the identification of the workplace evaluated (area or location).

The hazard assessment assures that potential workplace hazards necessitating PPE use have been identified and that the PPE selected is appropriate for those hazards and the affected employees. The required certification of the hazard assessment verifies that the required hazard assessment was conducted.

II. Special Issues for Comment

OSHA has a particular interest in comments on the following issues:

• Whether the proposed information collection requirements are necessary for the proper performance of the Agency’s functions, including whether the information is useful;

• The accuracy of OSHA’s estimate of the burden (time and costs) of the information collection requirements, including the validity of the methodology and assumptions used;

• The quality, utility, and clarity of the information collected; and

• Ways to minimize the burden on employers who must comply; for example, by using automated or other technological information collection and transmission techniques.

III. Proposed Actions

OSHA is requesting that OMB extend its approval of the information collection requirements contained in the Personal Protective Equipment Standard for General Industry (29 CFR part 1910, subpart I). OSHA is proposing that the burden hours in the currently approved information collection remain the same. There has been no change in the data for
the number of firms and workers affected by the Standard.

The Agency will summarize the comments submitted in response to this notice and will include this summary in the request to OMB.

**OFFICE OF MANAGEMENT AND BUDGET**

**2012 Statutory Pay-As-You-Go Act Annual Report**

**AGENCY:** Office of Management and Budget (OMB).

**ACTION:** Notice.

**SUMMARY:** This report is being published as required by the Statutory Pay-As-You-Go (PAYGO) Act of 2010, 2 U.S.C. 931 et seq. The Act requires that OMB issue (1) an annual report as specified in 2 U.S.C. 934(a) and (2) a sequestration order, if necessary.

**FOR FURTHER INFORMATION CONTACT:**

**SUPPLEMENTAL INFORMATION:** This report and additional information about the PAYGO Act can be found at http://www.whitehouse.gov/omb/paygo_default.

**Authority:** 2 U.S.C. 934.

Courtney Timberlake,
Assistant Director for Budget.

This Report is being published pursuant to section 5 of the Statutory Pay-As-You-Go (PAYGO) Act of 2010, Public Law 111–139, 124 Stat. 6; 2 U.S.C. 934, which requires that OMB issue an annual PAYGO report, including a sequestration order if necessary, no later than 14 working days after the end of a congressional session.

This Report describes the budgetary effects of all legislation enacted during the second session of the 112th Congress and presents the 5-year and 10-year PAYGO scorecards maintained by OMB. Because neither the 5-year nor 10-year scorecard shows a debit for the budget year, which for purposes of this Report is fiscal year 2013, a sequestration order under subsection 5(b) of the PAYGO Act, 2 U.S.C. 934(b), is not necessary.

There was no legislation designated as emergency legislation under section 4(g) of the PAYGO Act, 2 U.S.C. 933(g) enacted during the second session of the 112th Congress. In addition, the scorecards include no current policy adjustments made under section 4(c) of the PAYGO Act, 2 U.S.C. 933(c), for legislation enacted during the second session of the 112th Congress. For these reasons, the Report does not contain any information about emergency legislation or a description of any current policy adjustments.

**I. PAYGO Legislation with Budgetary Effects**

The 5-year PAYGO scorecard shows that PAYGO legislation enacted in the second session of the 112th Congress was estimated to have PAYGO budgetary effects that decreased the deficit by $839 million each year from 2013 through 2017. Budgetary effects refer to effects on the Social Security trust funds (Old-Age and Survivors Insurance and Disability Insurance) and the Postal Service.

1 As provided in section 4(d) of the PAYGO Act.
2 Provisions in appropriations acts that affect direct spending in the years beyond the budget year (also known as “outyears”) or affect revenues in any year are securable for the purposes of the PAYGO scorecards except if the provisions produce outlay changes that net to zero over the current year, budget year, and the four subsequent years. As specified in section 3 of the Statutory PAYGO Act, off-budget effects are not counted as budgetary effects. Off-budget effects refer to effects on the Social Security trust funds (Old-Age and Survivors Insurance and Disability Insurance) and the Postal Service.

2 As provided in section 4(d) of the PAYGO Act.

2 U.S.C. 933(d), budgetary effects on the PAYGO Act
