In the interest of security, NIH has
instituted stringent procedures for entrance
onto the NIH campus. All visitor vehicles,
including taxicabs, hotel, and airport shuttles
will be inspected before being allowed on
campus. Visitors will be asked to show one
form of identification (for example, a
government-issued photo ID, driver’s license, or passport) and to state the purpose of their
visit.

Information is also available on the
Institute’s/Center’s home page:
www.nhlbi.nih.gov/meetings/index.htm,
where an agenda and any additional
information for the meeting will be posted
when available.
