Notice of Request to Release Grant Assurance Obligations for Delano Municipal Airport, Delano, CA

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of Request to Release Grant Assurance Obligations.

SUMMARY: The Federal Aviation Administration (FAA) proposes to rule and invites public comment on the application for a release of approximately 9.89 acres of airport property at Delano Municipal Airport, Delano, California from all conditions contained in the Quitclaim Deed and Grant Assurance obligations for approximately 9.89 acres of airport land. The property is located on the west and north sides of the airport in the vicinity of Lexington Street. A City public works facility occupies 7.8 acres, while 2.09 acres serve as part of the city golf course. The land has not served an airport purpose and will not be needed for future airport purposes. The land will be conveyed to the City for its fair market value. The property will continue to be used for the same purpose, so it will remain a compatible use that will not interfere with airport operations. The conveyance will not prevent development of the airport, thereby serving the interests of civil aviation.
