statutory or regulatory violation by Whalen or any admission by Whalen of the accuracy of any allegations made by staff.

16. Upon provisional acceptance of the Agreement by the Commission, the Agreement shall be placed on the public record and published in the Federal Register in accordance with the procedures set forth in 16 C.F.R. § 1118.20(e). If the Commission does not receive any written request not to accept the Agreement within fifteen (15) calendar days, the Agreement shall be deemed finally accepted on the 16th calendar day after the date it is published in the Federal Register, in accordance with 16 C.F.R. § 1118.20(f).

17. Upon the Commission’s final acceptance of the Agreement and issuance of the final Order, Whalen knowingly, voluntarily and completely waives any rights it may have in this matter to the following: (i) an administrative or judicial hearing; (ii) judicial review or other challenge or contest of the Commission’s actions; (iii) a determination by the Commission as to whether Whalen failed to comply with the CPSA and the underlying regulations; (iv) a statement of findings of fact and conclusions of law; and (v) any claims under the Equal Access to Justice Act.

18. The Commission may publicize the terms of the Agreement and the Order.

19. The Agreement and the Order shall apply to and be binding upon Whalen and each of its successors and/or assigns.

20. The Commission issues the Order under the provisions of the CPSA, and a violation of the Order may subject Whalen and each of its successors and/or assigns to appropriate legal action.

21. The Agreement may be used in interpreting the Order. Understandings, agreements, representations or interpretations apart from those contained in the Agreement and the Order may not be used to vary or contradict their terms. The Agreement shall not be waived, amended, modified or otherwise altered without written agreement thereto executed by the party against whom such waiver, amendment, modification or alteration is sought to be enforced.

22. If any provision of the Agreement or the Order is held to be illegal, invalid or unenforceable under present or future laws effective during the terms of the Agreement and the Order, such provision shall be fully severable. The balance of the Agreement and the Order shall remain in full force and effect, unless the Commission and Whalen agree that severing the provision materially affects the purpose of the Agreement and the Order.

Cancellation of the Notice of Intent To Prepare a Draft and Final Supplemental Environmental Impact Statement for Reach 1A on the Herbert Hoover Dike Major Rehabilitation Project, Martin and Palm Beach Counties

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DOD.

ACTION: Notice; cancellation.

SUMMARY: The Jacksonville District, U.S. Army Corps of Engineers (USACE) hereby cancels its Notice of Intent (NOI) to prepare a Supplemental Environmental Impact Statement (SEIS) for Reach 1A on the Herbert Hoover Dike (HHD) Major Rehabilitation Project, as published in the Federal Register, March 9, 2009 (74 FR 10038).

The USACE issued a Notice of Availability (NOA) for the Draft SEIS on June 25, 2010 (75 FR 36386). A public meeting was held in Canal Point on July 22, 2010 to present the Draft SEIS.

The cancellation of the subject SEIS is necessitated due to a change in scope of the rehabilitation project. The initial focus of the HHD Major Rehabilitation Report (MRR) from 2000 divided the 143 miles dike into eight Reaches with the initial focus on Reach 1. This Reach by Reach approach is being replaced with a system-wide risk reduction approach as required for safety modifications to dams.

FOR FURTHER INFORMATION CONTACT: Questions may be forwarded to Ms. Angela Dunn, Environmental Branch, Planning Division, Jacksonville District, Corps of Engineers, Post Office Box 4970, Jacksonville, FL 32232–0019. Phone: 904–232–2108.

SUPPLEMENTARY INFORMATION: The supplemental MRR will be replaced with a system-wide Dam Safety Modification (DSM) Report. Environmental documentation will be prepared and coordinated in conjunction with the system wide DSM Report as required by the National Environmental Policy Act.
