SUPPLEMENTARY INFORMATION:
Case History
In accordance with section 705(d)
of the Tariff Act of 1930, as amended (the Act), on December 26, 2012, the
Department published its final
determination in the countervailing
duty investigation of certain steel wire
garment hangers from Vietnam.1 On
January 28, 2013, the ITC notified
the Department of its final determination
pursuant to section 705(b)(1)(A)(ii) and
705(d) of the Act, that a U.S. industry
is materially injured by reason of
imports of steel wire garment hangers
from Vietnam.2 In addition, the ITC
notified the Department of its final
determination that critical
circumstances do not exist with respect
to imports of steel wire garment hangers
from Vietnam that are subject to the
Department’s final affirmative critical
circumstances finding. Pursuant to
section 706(a) of the Act, the
Department is publishing a
countervailing duty order on the subject
merchandise.
Scope of the Order
The merchandise subject to this order is
steel wire garment hangers, fabricated
from carbon steel wire, whether or not
galvanized or painted, whether or not
coated with latex or epoxy or similar
gripping materials, and/or whether or
dressed with paper covers or
capes (with or without printing) and/or
non-slip features such as saddles or
tubes. These products may also be
referred to by a commercial designation,
such as shirt, suit, strap, caped, or latex
(industrial) hangers.
Specifically excluded from the scope
are (a) Wooden, plastic, and other
garment hangers that are not made of
steel wire; (b) steel wire garment
hangers with swivel hooks; (c) steel wire
garment hangers with clips permanently
affixed; and (d) chrome-plated steel wire
garment hangers with a diameter of
3.4mm or greater.
The products subject to the order are
currently classified under U.S.
Harmonized Tariff Schedule (HTSUS)

NextGen Solutions Vendors Guide

AGENCY: International Trade Administration, Commerce.

ACTION: Notice and request for response.

SUMMARY: This notice sets forth a request for responses from U.S. vendors capable of exporting goods or services for the implementation of Next Generation Air Transportation System (NextGen) solutions that meet the requirements of the International Civil Aviation Organization’s (ICAO) Aviation System Block Upgrade (ASBU) initiative. The NextGen solutions address the ICAO ASBU-designated performance improvement areas of: (a) Airport operations, (b) globally interoperable systems and data, (c) optimum capacity and flexible flights, and (d) efficient flight paths. In addition, this request seeks responses from (e) the knowledge and service providers who can facilitate these solutions. The International Trade Administration (ITA) of the Department of Commerce is developing a web-based NextGen Solutions Vendors Guide intended to be used by foreign air navigation service providers, airport operators, and governmental authorities to identify U.S. goods and services that can be used to help implement ICAO-consistent NextGen solutions. The guide will highlight the U.S. producers and suppliers who indicate that they have products that can be used to implement one or more of the listed NextGen solutions. The NextGen Solutions Vendors Guide will support the President’s National Export Initiative by fostering export opportunities for the U.S. air navigation equipment and services industry.

DATES: U.S. vendors capable of exporting goods or services relevant to the NextGen solutions outlined above that are interested in participating in the NextGen Solutions Vendors Guide should self-identify by March 29, 2013, at 5:00 p.m. Eastern Daylight Time (EDT).

ADDRESSES: Please indicate interest in participating in the NextGen Solutions Vendors Guide by post or email to the attention of Jonathan Alvear, Office of Transportation and Machinery, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Ave. NW., Room 4036, Washington, DC 20230; 202–482–4125; email NextGenVendors@trade.gov. Electronic responses should be submitted in Microsoft Word format.

FOR FURTHER INFORMATION CONTACT: Mr. Jonathan Alvear, Office of Transportation and Machinery (OTM), International Trade Administration, Room 4036, 1401 Constitution Avenue NW., Washington, DC 20230. (Phone: 202–482–4125; email: Jonathan.Alvear@trade.gov).

SUPPLEMENTARY INFORMATION: The development of the NextGen Solutions Vendors Guide requires the identification of U.S. vendors capable of supplying relevant goods and services to foreign buyers. United States vendors of NextGen goods and services interested in being listed on the Vendors Guide Web site should submit their company’s name, Web site address, contact information, and aviation solution category (or categories) of interest from the following list:

(a) Airport operations
   Example: Airport Accessibility—Optimization of Approach Procedures including vertical guidance
   Example: Digital Aeronautical Information Management—Service Improvement through Integration of all Digital ATM Information

(b) Optimum capacity and flexible flights
   Example: Optimum Flight Levels—Improved Access to Optimum Flight Levels through Climb/Descent Procedures using ADS–B

(c) Globally interoperable systems and data
   Example: Trajectory-Based Operations—Improved Safety and Efficiency through the initial application of Data Link En-Route

(d) Efficient flight paths
   Example: Engineering Services

More information on the four ICAO-ASBU-designated performance improvement areas can be found at http://www.icao.int/Meetings/ancon12/Documents/ASBU_en_july%202012.pdf

Responding to this notice will serve as a certification that the vendor named in the response is a United States exporter, as defined by 15 U.S.C. 4721(j), and seeks to export NextGen solutions that fall within the category or categories indicated in the response. For purposes of this certification, “United States exporter” has the meaning found in 15 U.S.C. 4721(j), which provides: “United States exporter means (A) a United States citizen; (B) a corporation, partnership, or other association created under the laws of the United States or of any State; or (C)
