Notice of Availability of Funds and Solicitation for Grant Applications for National Farmworker Jobs Program Grants

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of Solicitation for Grant Applications (SGA).

Funding Opportunity Number: SGA/DFA FY 12–05.

SUMMARY: The Employment and Training Administration (ETA), U.S. Department of Labor (DOL) or Department) announces a grant competition for the National Farmworker Jobs Program (NFJP), authorized under section 167 of the Workforce Investment Act (WIA). NFJP provides training, employment services, and related assistance in order to increase economic opportunities for migrant and seasonal farmworkers (MSFW) and their dependents. The Department is exercising its option under WIA to continue grant awards to NFJP grantees that have performed successfully, and hold a grant competition for service delivery areas in which the current grantee has not performed adequately. Therefore, this grant competition is only seeking applications to operate NFJP in the following service areas: California (central California service area covering Merced, Madera and Stanislaus Counties), Hawaii, Indiana, Michigan, Mississippi, New Jersey, and Puerto Rico. A total of approximately $9.6 million is expected to be available for grants in these service areas. However, the final amount available depends upon the amount of funds appropriated for NFJP in the Fiscal Year (FY) 2013 Department of Labor Appropriations Act.

The complete SGA and any subsequent SGA amendments in connection with this solicitation are described in further detail on ETA’s Web site at http://www.doleta.gov/grants/ or on http://www.grants.gov. PROPOSAL FOR THE FOLLOWING INFORMATION COLLECTION:

Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) calls for NCUA (the “Agency”) to promote the inclusion of minority-owned and women-owned firms in the Agency’s business activities. The Dodd-Frank Act also requires NCUA to annually report to Congress the total amounts paid to minority- and women-owned businesses. In order to comply with this Congressional mandate, NCUA needs to collect certain information from its current and potential vendors, so that it can identify businesses that meet the criteria that must be reported to Congress. Without the use of the vendor registration form, NCUA would not be able to capture the type of information that Congress is requiring under the Dodd-Frank Act. The section within the Dodd-Frank Act that makes it necessary to collect this information is as follows: Section 342(e)(2) Reports—Each agency shall submit to Congress an annual report regarding the actions taken by the agency and the Office pursuant to this section, which shall include—the percentage of the amounts described in paragraph (1) that were paid to contractors described in subsection (c) (1) [minority-owned and women-owned businesses]. The vendor information is to be submitted to the agency on a one-time basis through a one-page vendor form. The one-page form is brief and asks for simple, readily available information. Additionally, NCUA plans to make this registration available electronically in a format that allows vendors to complete and submit online, without requiring any printing, manual entries, or faxing. The information provided will be used to assign an ownership status to the vendor (i.e., minority-owned business, woman-owned business) per the requirements of the Act. Once an ownership status is assigned to each vendor, NCUA will be able to calculate the total amounts of contracting dollars paid to minority-owned and women-owned businesses. There is no change in burden hours or cost of the collection of information.

I. Abstract and Request for Comments

NCUA is renewing the currently approved collection for 3133–0185. The collection includes the NCUA Vendor Registration Form (NCUA 1772) and instructions for completing the form. NCUA requests that you send your comments on this collection to the location listed in the addresses section.
