Federal Transit Administration

[Docket FTA-2013-0001]

Notice of Establishment of Emergency Relief Docket for Calendar Year 2013

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Notice

SUMMARY: The Federal Transit Administration (FTA) is establishing an Emergency Relief Docket for calendar year 2013 so grantees and subgrantees affected by national or regional emergencies may request relief from FTA administrative and statutory requirements. By this notice, FTA is establishing an Emergency Relief Docket for calendar year 2013.

FOR FURTHER INFORMATION CONTACT: Bonnie L. Graves, Attorney-Advisor, Legislation and Regulations Division, Office of Chief Counsel, Federal Transit Administration, 1200 New Jersey Ave. S.E., Room E56-306, Washington, DC 20590, phone: (202) 366-4011, fax: (202) 366-3809, or email, Bonnie.Graves@dot.gov.

SUPPLEMENTARY INFORMATION: Pursuant to title 49 CFR part 601, subpart D, FTA is establishing the Emergency Relief

Docket for calendar year 2013. The docket may be opened at the request of a grantee or subgrantee, or on the Administrator's own initiative. When the Emergency Relief Docket is opened, FTA will post a notice on its Web site, at www.fta.dot.gov. In addition, a notice will be posted in the docket.

In the event a grantee or subgrantee believes the Emergency Relief Docket should be opened and it has not been opened, that grantee or subgrantee may submit a petition in duplicate to the Administrator, via U.S. mail, to: Federal Transit Administration, 1200 New Jersey Ave. S.E., Washington, DC 20590; via telephone, at: (202) 366-4011; via fax, at (202) 366-3472, or via email, to bonnie.graves@dot.gov, requesting opening of the Docket for that emergency and including the information set forth below.

Section 5324(d) of title 49, U.S.C. provides that a grant awarded under section 5324 or under section 5307 or 5311 that is made to address an emergency shall be subject to the terms and conditions the Secretary determines are necessary. This language allows FTA to waive statutory, as well as administrative, requirements. Effective with calendar year 2013, recipients affected by an emergency or major disaster may request waivers of provisions of chapter 53 of title 49, U.S.C. when the requirement(s) will limit a recipient's or subrecipient's ability to respond to an emergency. Recipients must follow the procedures as set forth below when requesting a waiver of statutory or administrative requirements.

All petitions for relief from a provision of chapter 53 of title 49, U.S.C. or FTA administrative requirements must be posted in the docket in order to receive consideration by FTA. The docket is publicly accessible and can be accessed 24 hours a day, seven days a week, via the Internet at www.regulations.gov. Petitions may also be submitted by U.S. mail or by hand delivery to the DOT Docket Management Facility, 1200 New Jersey Ave. S.E., Room W12-140, Washington, DC 20590. Any grantee or subgrantee submitting petitions for relief or comments to the docket must include the agency name (Federal Transit Administration) and docket number FTA-2013-0001. Grantees and subgrantees making submissions to the docket by mail or hand delivery should submit two copies. Grantees and subgrantees are strongly encouraged to contact their FTA regional office and notify FTA of the intent to submit a petition to the docket.

In the event a grantee or subgrantee needs to request immediate relief and does not have access to electronic means to request that relief, the grantee or subgrantee may contact any FTA regional office or FTA headquarters and request that FTA staff submit the petition on its behalf.

A petition for relief shall:

- (a) Identify the grantee or subgrantee and its geographic location;
- (b) Identify the section of chapter 53 of title 49, U.S.C., or the FTA policy statement, circular, guidance document and/or rule from which the grantee or subgrantee seeks relief;
- (c) Specifically address how a requirement in chapter 53 of title 49 U.S.C., or an FTA requirement in a policy statement, circular, agency guidance or rule will limit a grantee's or subgrantee's ability to respond to an emergency or disaster; and
- (d) Specify if the petition for relief is one-time or ongoing, and if ongoing identify the time period for which the relief is requested. The time period may not exceed three months; however, additional time may be requested through a second petition for relief.

A petition for relief from administrative requirements will be conditionally granted for a period of three (3) business days from the date it is submitted to the Emergency Relief Docket. FTA will review the petition after the expiration of the three business days and review any comments submitted thereto. FTA may contact the grantee or subgrantee that submitted the request for relief, or any party that submits comments to the docket, to obtain more information prior to making a decision. FTA shall then post a decision to the Emergency Relief Docket. FTA's decision will be based on whether the petition meets the criteria for use of these emergency procedures, the substance of the request, and the comments submitted regarding the petition. If FTA does not respond to the request for relief to the docket within three business days, the grantee or subgrantee may assume its petition is granted for a period not to exceed three months until and unless FTA states otherwise.

A petition for relief from statutory requirements will not be conditionally granted and requires a written decision from the FTA Administrator.

Pursuant to section 604.2(f) of FTA's charter rule (73 FR 2325, Jan. 14, 2008), grantees and subgrantees may assist with evacuations or other movement of people that might otherwise be considered charter transportation when that transportation is in response to an emergency declared by the President,
