

point of execution time to evaluate each trade and have adequate time to notify the Exchange of a potential error.

The Exchange believes that the proposed rule changes that address the handling of Complex Orders involved in obvious errors are also consistent with Section 6(b) of the Act, in general, and furthers the objectives of Section 6(b)(5), in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. Detailing how Complex Orders involved in obvious errors will be busted and/or adjusted is important since it grants investors greater certainty. Preventing a market participant from busting trades solely the result of a leg(s) of a Complex Order executing in a no-bid series furthers the protection of investors and the public interest by preventing potential abuse. In the Exchange's view, the determination of whether an "obvious error" has occurred should be based on specific and objective criteria and subject to specific and objective procedures. The Exchange believes that the proposed rule change provides such objective guidelines for the determination of whether an obvious price error has occurred.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, the proposal further promotes competition on the Exchange which should lead to tighter, more efficient markets to the benefit of market participants including public investors that engage in trading and hedging on the Exchange, and thereby make the Exchange a desirable market vis a vis other options exchanges.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68928; File No. SR-ICC-2013-01]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing of Proposed Rule Change To Update Chapter 26 and Remove Schedule 502 of the ICE Clear Credit Rules

February 14, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 31, 2013, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by ICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to update Chapter 26 (Cleared CDS Products) of the ICC Rules and remove Schedule 502 (List of Pre-Approved Products) from the ICC Rules. The proposed rule change also includes a conforming edit within Chapter 5 (Risk Committee) of the ICC Rules. This update will provide direct reference within the ICC Rules to the cleared products list always available on the ICC Web site ("Approved Products List") and add additional standards for certain ICC cleared products. ICC notes that rule submissions for updates to ICC's cleared product offering will be required under certain circumstances (e.g., certain financial single names, additional single-name constituents of the Emerging Markets Index, and High Yield single names).

¹¹ 17 CFR 200.30-3(a)(12).

¹⁵ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

ICC proposes to amend Chapter 26 of its rules to update the definitions of Eligible CDX.NA Untranching Index (Rule 26A–102), Eligible SNAC Reference Entities (Rule 26B–102), Eligible SNAC Reference Obligations (Rule 26B–102), Eligible CDX.EM Untranching Index (Rule 26C–102), Eligible SES Reference Entities (Rule 26D–102) and Eligible SES Reference Obligations (Rule 26D–102) to include the requirement that the products must be determined by ICC to be eligible.

ICC proposes to amend Chapter 26 of its rules to update the definitions of List of Eligible CDX.NA Untranching Indexes (Rule 26A–102), List of Eligible SNAC Reference Entities (Rule 26B–102), List of Eligible CDX.EM Untranching Indexes (Rule 26C–102) and List of Eligible SES Reference Entities (Rule 26D–102) to include the reference that the Approved Products List will be maintained, updated and published on the ICC Web site.

ICC proposes to amend Chapter 26 of its rules to add the definition of Eligible SNAC Sector in Rule 26B–102 of the ICC Rules. The listed Eligible SNAC Sectors are: Basic Materials, Consumer Goods, Consumer Services, Energy, Financials, Healthcare, Industrials, Technology, Telecommunications Services, and Utilities. The requirement to list the Eligible SNAC Sector on the List of Eligible SNAC Reference Entities is also added to the definition of List of Eligible SNAC Reference Entities in Rule 26B–102.

ICC proposes to amend Chapter 26 of its rules to include within the definition of List of Eligible SES Reference Entities in Rule 26D–102 the requirement to list the Sector, Government, in the List of Eligible SES Reference Entities.

ICC proposes to remove Schedule 502 from the ICC Rules as Schedule 502 provides information available in the Approved Products List on the ICC Web site. The Approved Products List provides the information currently available in Schedule 502 as well as all additional product information listed in the definitions of List of Eligible CDX.NA Untranching Indexes (Rule 26A–102), List of Eligible SNAC Reference Entities (Rule 26B–102), List of Eligible CDX.EM Untranching Indexes (Rule 26C–102) and List of Eligible SES Reference Entities (Rule 26D–102).

ICC proposes to make one conforming amendment to Chapter 5 of its rules, specifically Rule 502(a), to change a reference to Schedule 502 of the ICC Rules to reference the Approved Products List on the ICC Web site.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed changes to the ICC Rules will provide direct reference within the ICC Rules to the cleared products list available on the ICC Web site and add additional standards for certain ICC cleared products. The proposed rule changes do not require any changes to the ICC risk management framework including the ICC margin methodology, guaranty fund methodology, pricing parameters and pricing model.

Section 17A(b)(3)(F) of the Act³ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions. ICC believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to ICC, in particular, Section 17(A)(b)(3)(F),⁴ because ICC believes that providing direct reference within the ICC Rules to the Approved Products List available on the ICC Web site and adding additional standards for certain ICC cleared products will facilitate the prompt and accurate settlement of swaps and contribute to the safeguarding of securities and funds associated with swap transactions which are in the custody or control of ICC or for which it is responsible. ICC is updating Chapters 5 and 26 and Schedule 502 of the ICC Rules to provide direct reference to the Approved Products List available on the ICC Web site and to add additional standards for certain ICC cleared products in order to assure Clearing Participants are informed of the ICC approved products.

⁴ 15 U.S.C. 78q–1(b)(3)(F).

B. Self-Regulatory Organization's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filings also will be available for inspection and copying at the principal office of ICE Clear Credit and on ICE Clear Credit's Web site at https://www.theice.com/publicdocs/regulatory_filings/ICEClearCredit_20130131.pdf.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-68929; File No. SR-CME-2012-34]

Self-Regulatory Organizations; Chicago Mercantile Exchange Inc.; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change Related to the Liquidity Factor of CME's CDS Margin Methodology

February 14, 2013.

On December 10, 2012, Chicago Mercantile Exchange Inc. ("CME") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to make adjustments to the liquidity risk factor component of its

credit default swap ("CDS") margin model. CME proposes to use an index portfolio's market risk rather than its gross notional as the basis for determining the margins associated with the liquidity risk factor component. The proposed rule change was published for comment in the **Federal Register** on December 31, 2012.³ The Commission did not receive comments on the proposal.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day from the publication of notice of filing of this proposed rule change is February 14, 2013. The Commission is extending this 45-day time period.

The Commission finds it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change, which would implement a significant change to CME's CDS margin methodology.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates March 31, 2013, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR-CME-2012-34).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶

Deputy Secretary.

VitaminSpice Inc.; Order of Suspension of Trading

February 19, 2013.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of VitaminSpice Inc. The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EST, on February 19, 2013 through 11:59 p.m. EST, on March 4, 2013.
