DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

Amendment of Class E Airspace; Casper, WY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action modifies Class E airspace designated as an extension to a Class D surface area, and Class E airspace extending upward from 700 feet above the surface, to facilitate vectoring of Instrument Flight Rules (IFR) traffic from en route airspace to the airport, due to the decommissioning of the Muddy Mountain VORTAC at Casper, Natrona County International Airport, Casper, WY. This action also amends Class E en route domestic airspace extending upward from 1,200 feet above the surface by removing the exclusionary language in the regulatory text. This action enhances the safety and management of aircraft operations within the National Airspace System.

The FAA has determined this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act. The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle I, Section 106 discusses the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it modifies controlled airspace at Casper, Natrona County International Airport, Casper, WY.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures,” paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

§ 71.1 [Amended]

1. The authority citation for 14 CFR part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR part 71.1 of the Federal Aviation Administration Order 7400.9W, Airspace Designations and Reporting Points, dated August 8, 2012, and effective September 15, 2012 is amended as follows:
Paragraph 6004  Class E airspace
Designated as an Extension to a Class D Surface area.

* * * * *

ANM WY E4 Casper, WY [Modified]
Casper, Natrona County International Airport, WY
(Lat. 42°54′29″ N., long. 106°27′52″ W.)
That airspace extending upward from the surface within 4.3 miles each side of the 036° bearing of the Natrona Country International Airport extending from the airport to 13.7 miles northeast of the airport, and within 4.3 miles each side of the 216° bearing of the Natrona County International Airport extending from the airport to 15 miles southwest of the airport, and within 2.7 miles each side of the 269° bearing of the Natrona Country International Airport extending from airport to 13.5 miles west of the airport. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Airport/Location Directory.

Paragraph 6005  Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

* * * * *

ANM WY E5 Casper, WY [Modified]
Casper, Natrona County International Airport, WY
(Lat. 42°54′29″ N., long. 106°27′52″ W.)
That airspace extending upward from 700 feet above the surface within a 24-mile radius of the Natrona County International Airport; that airspace extending upward from 1,200 feet above the surface within a 38-mile radius of the Natrona County International Airport.

Paragraph 6006  En Route Domestic Airspace Areas.

* * * * *

ANM WY E6 Casper, WY [Modified]
Casper, Natrona County International Airport, WY
(Lat. 42°54′29″ N., long. 106°27′52″ W.)
That airspace extending upward from 1,200 feet above the surface within an 85-mile radius of Natrona County International Airport.

Issued in Seattle, Washington, on February 1, 2013.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165
[Docket No. USCG–2012–0087]

Security Zone; Protection of Military Cargo, Captain of the Port Zone Puget Sound, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Sitcum Waterway Security Zone in Commencement Bay, Tacoma, Washington from 6 a.m. on February 23, 2013, through 11:59 p.m. on March 4, 2013, unless cancelled sooner by the Captain of the Port. This action is necessary for the security of Department of Defense assets and military cargo in the navigable waters of Puget Sound and adjacent waters. Entry into this zone is prohibited unless otherwise exempted or excluded under 33 CFR 165.1321 or unless authorized by the Captain of the Port or his Designated Representative.

DATES: The regulations in 33 CFR 165.1321 will be enforced from 6 a.m. on February 23, 2013, through 11:59 p.m. on March 4, 2013, unless cancelled sooner by the Captain of the Port.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or email Ensign Nathaniel P. Clinger, Sector Puget Sound Waterways Management Division, Coast Guard; telephone 206–217–6045, email SectorPugetSound WWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will activate and enforce the Sitcum Waterway Security Zone set forth in 33 CFR 165.1321(c) on February 23, 2013, from 6 a.m. through 11:59 p.m. on March 4, 2013, unless cancelled sooner by the captain of the Port or Designated Representative. Under the provisions of 33 CFR 165.1321, the Coast Guard published a final rule for the security of Department of Defense assets and military cargo in the navigable waters of Puget Sound and adjacent waters. (See 69 FR 52600, Aug. 27, 2004). When activated, this regulation provides for the regulation of vessel traffic in the vicinity of military cargo loading facilities in the navigable waters of the United States. The security zones also exclude persons and vessels from the immediate vicinity of these facilities during military cargo loading and unloading operations. In addition, the regulation establishes requirements for all vessels to obtain permission of the COTP or Designated Representative, including the Vessel Traffic Service (VTS), to enter, move within, or exit these security zones when they are enforced. Entry into this zone is prohibited unless otherwise exempted or excluded under 33 CFR 165.1321 or unless authorized by the Captain of the Port or Designated Representative.

This notice is issued under authority of 33 CFR 165.1321 and 5 U.S.C. 552(a).

In addition to this notice in the Federal Register, the Coast Guard will provide the maritime community with notification of this enforcement period via marine information broadcasts and on-scene assets.

If the COTP determines that the regulated area need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

S.J. Ferguson,
Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

RIN 1024–AE11

Special Regulations; Areas of the National Park System, Sleeping Bear Dunes National Lakeshore, Bicycling

AGENCY: National Park Service, Interior.

ACTION: Final rule.

SUMMARY: This rule designates the Sleeping Bear Heritage Trail currently under construction within Sleeping Bear Dunes National Lakeshore as a route for bicycle use. The approximately 27-mile-long trail will generally parallel major state highways and offer visitors safe, non-motorized access to the park. National Park Service general regulations require promulgation of a special regulation to designate new routes for bicycle use outside developed areas or off park roads.

DATES: The rule is effective March 25, 2013.

SUPPLEMENTARY INFORMATION:
