The Department may disclose the information specified in this paragraph under 5 U.S.C. 552a(b)(12) and the procedures contained in 31 U.S.C. 3711(e). POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

The Department electronically stores the complaints and allegations on an Intranet Web site. The Web site is located at the Virtual Data Center in Plano, Texas.

RETRIEVABILITY:

Records in the SPD-CTS system are retrieved by searching any of the following data elements: complainant's name, institution's name, reviewer's name or Office of Postsecondary Education identification (OPEID) number.

SAFEGUARDS:

In addition to undergoing security clearances, contract and Department employees are required to complete security awareness training on an annual basis. Annual security awareness training is required to ensure that contract and Department users are appropriately trained in safeguarding Privacy Act data in accordance with OMB Circular No. A-130, Appendix III.

The computer system employed by the Department offers a high degree of resistance to tampering and circumvention. This security system limits data access to Department and contract staff on a "need-to-know" basis and controls individual users' ability to access and alter records within the system. All users of this system of records are given a password. The Department's FSA Information Security and Privacy Policy requires the enforcement of a complex password policy. This password is only given to SPD staff who are assigned to investigate and resolve the complaint(s).

RETENTION AND DISPOSAL:

The records created by this system are currently unclassified. ED will apply to the National Archives and Records Administration (NARA) for disposition authority that covers these records. Until disposition authority is received

from NARA, no records will be destroyed.

SYSTEM MANAGER AND ADDRESS:

Dale Shaw, FSA, U.S. Department of Education, 1999 Bryan Street Suite 1410, Dallas, Texas 75201-6817.

NOTIFICATION PROCEDURE:

If you wish to determine whether a record exists regarding you in the system of records, provide the system manager with your name, address, email address, and phone number. Requests must meet the requirements in 34 CFR 5b.5, including proof of identity.

RECORD ACCESS PROCEDURES:

If you wish to gain access to a record in this system, provide the system manager with your name, address, email address, and phone number. Requests by an individual for access to a record must meet the requirements in the regulations at 34 CFR 5b.5, including proof of identity.

CONTESTING RECORD PROCEDURE:

If you wish to change the content of your personal record within the system of records, provide the system manager with your name, address, email address, and phone number. Identify the specific items to be changed, and provide a written justification for the change. Requests to amend a record must meet the requirements in 34 CFR 5b.7.

RECORD SOURCE CATEGORIES:

This system includes records on individuals who may have received title IV, HEA program assistance. These records include information provided by various sources (including, but not limited to, the public, school officials, external oversight partners, students, referrals from Federal, State, or local agencies, and other FSA offices). The Department's Office of Inspector General (OIG) may also refer complaints and allegations received via the OIG Hotline that do not appear to require an OIG audit, a formal OIG investigation, or action by any other federal agency.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP13-64-000]

Gulf Crossing Pipeline Company LLC; Notice of Application

On February 1, 2013, Gulf Crossing Pipeline Company (Gulf Crossing) filed with the Federal Energy Regulatory Commission (Commission) an application under section 7 of the Natural Gas Act and Commission regulations for authorization to construct and operate a new 16.5 mile, 16-inch diameter pipeline lateral and appurtenant auxiliary facilities. The pipeline would extend from Gulf Crossing's Sherman Compressor Station, near Sherman, Texas to Panda Sherman Power, LLC's new 758 megawatt gas-fired power plant in Grayson County, Texas, as more fully described in the Application.

Questions regarding this application may be directed to J. Kyle Stephens, Vice President of Regulatory Affairs, Boardwalk Pipeline Partners, LP, 9 Greenway Plaza, Houston, Texas, 77046; by fax 713-479-1846 or email to kyle.stephens@bwpmlp.com.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission's public

record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit seven copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.fere.gov>. Persons unable to file electronically should submit an original and seven
