Announcement of the Board of Directors for the National Environmental Education Foundation

AGENCY: Office of External Affairs and Environmental Education, Environmental Protection Agency.

ACTION: Notice.

SUMMARY: The National Environmental Education Foundation (NEEF) was created by Section 10 of Public Law #101–619, the National Environmental Education Act of 1990. It is a private 501(c)(3) non-profit organization established to promote and support education and training as necessary tools to further environmental protection and sustainable, environmentally sound development. It provides the common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to expand the reach of environmental education and training programs beyond the traditional classroom. The Foundation supports a grant program that promotes innovative environmental education and training programs; it also develops partnerships with government and other organizations to administer projects that promote the development of an environmentally literate public. The Administrator of the U.S. Environmental Protection Agency, as required by the terms of the Act, announces the following appointment to the National Environmental Education Foundation Board of Trustees. The appointee is Megan Reilly Cayten, Co-Founder and Chief Executive Officer of Catrinka, LLC.

FOR FURTHER INFORMATION CONTACT: For information regarding this Notice of Appointment, please contact Mrs. Stephanie Owens, Deputy Associate Administrator, Office of External Affairs and Environmental Education (1701A) U.S. EPA 1200 Pennsylvania Ave., NW., Washington, DC 20460. General information concerning NEEF can be found on their Web site at: [http://www.neefusa.org](http://www.neefusa.org)

SUPPLEMENTARY INFORMATION: Additional Considerations: Great care has been taken to assure that this new appointee not only has the highest degree of expertise and commitment, but also brings to the Board diverse points of view relating to environmental education. This appointment is a four-year term which may be renewed once for an additional four years pending successful re-election by the NEEF nominating committee.

This appointee will join the current Board members which include:
- JL Armstrong (NEEF Vice Chair), National Manager, Toyota Motor Sales, USA, Inc.
- Raymond Ban, Executive Vice President, The Weather Channel
- Holly Cannon, Principal, Beveridge and Diamond, P.C.
- Phillipe Cousteau, Co-Founder and CEO, EarthEcho International
- Manuel Alberto Diaz, Partner, Lydecker Diaz, L.L.P.
- Arthur Gibson (NEEF Chair), Vice President, Environment, Health and Safety, Baxter Healthcare Corporation
- Trish Silber, President, Aliniad Consulting Partners, Inc.

- Kenneth Strassner (NEEF Treasurer), Vice President, Global Environmental Education, Safety, Regulatory and Scientific Affairs, Kimberly-Clark Corporation
- Diane Wood (NEEF Secretary), President, National Environmental Education Foundation
- Decker Anstrom, Former CEO, The Weather Channel Companies
- Wonya Lucas, Former CEO, TV One

Background: Section 10(a) of the National Environmental Education Act of 1990 mandates a National Environmental Education Foundation. The Foundation is established in order to extend the contribution of environmental education and training to meeting critical environmental protection needs, both in this country and internationally; to facilitate the cooperation, coordination, and contribution of public and private resources to create an environmentally advanced educational system; and to foster an open and effective partnership among Federal, State, and local government, business, industry, academic institutions, community based environmental groups, and international organizations.

The Foundation is a charitable and nonprofit corporation whose income is exempt from tax, and donations to which are tax deductible to the same extent as those organizations listed pursuant to section 501(c) of the Internal Revenue Code of 1986. The Foundation is not an agency or establishment of the United States. The purposes of the Foundation are—

(A) Subject to the limitation contained in the final sentence of subsection (d) herein, to encourage, accept, leverage, and administer private gifts for the benefit of, or in connection with, the environmental education and training activities and services of the United States Environmental Protection Agency;

(B) To conduct such other educational activities as will further the development of an environmentally conscious and responsible public, a well-trained and environmentally literate workforce, and an environmentally advanced educational system;

(C) To participate with foreign entities and individuals in the conduct and coordination of activities that will further opportunities for environmental education and training to address environmental issues and problems involving the United States and Canada or Mexico.
The Foundation develops, supports, and/or operates programs and projects to educate and train educational and environmental professionals, and to assist them in the development and delivery of environmental education and training programs and studies.

The Foundation has a governing Board of Directors (hereafter referred to in this section as ‘the Board’), which consists of 13 directors, each of whom shall be knowledgeable or experienced in the environment, education and/or training. The Board oversees the activities of the Foundation and assures that the activities of the Foundation are consistent with the environmental and education goals and policies of the Environmental Protection Agency and with the intents and purposes of the Act. The membership of the Board, to the extent practicable, represents diverse points of view relating to environmental education and training. Members of the Board are appointed by the Administrator of the Environmental Protection Agency.

Within 90 days of the date of the enactment of the National Environmental Education Act, and as appropriate thereafter, the Administrator will publish in the Federal Register an announcement of appointments of Directors of the Board. Such appointments become final and effective 90 days after publication in the Federal Register. The directors are appointed for terms of 4 years. The Administrator shall appoint an individual to serve as a director in the event of a vacancy on the Board within 60 days of said vacancy in the manner in which the original appointment was made. No individual may serve more than 2 consecutive terms as a director.

Lisa P. Jackson,
Administrator.

Clean Air Act Operating Permit Program; Petition for Objection to State Operating Permit for Luminant Generation Company—Sandow 5 Generating Plant

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of final order on petition to object to Clean Air Act (CAA or Act) operating permit.

SUMMARY: This document announces that the EPA Administrator has responded to a citizen petition asking EPA to object to an operating permit (Permit Number O3025) issued by the Texas Commission on Environmental Quality (TCEQ). Specifically, the Administrator has denied the October 5, 2011 petition, submitted by the Environmental Integrity Project (EIP), Sierra Club, Public Citizen, Texas Campaign for the Environment, Environment Texas, and the SEED Coalition (Petitioners), to object to the operating permit issued on August 18, 2011, to Luminant Generation Company, for the operation of the Sandow 5 Generating Plant located near Rockdale, Milam County, Texas.

EPA received a petition from the Petitioners dated October 4, 2011, requesting that EPA object to the issuance of the title V operating permit to Luminant Generation Company—Sandow 5 Generating Plant located near Rockdale, Milam County, Texas based on the following contentions: (1) The Sandow 5 title V permit impermissibly incorporates by reference emission limitations established in a major New Source Review permit, (2) the Sandow 5 title V permit impermissibly incorporates by reference the EPA-disapproved Pollution Control Project Standard Permit, (3) the permit impermissibly incorporates permit by rules (this claim is divided into 7 sub-claims), and (4) the permit lacks a Maximum Achievable Control Technology determination as required by CAA section 112(g).

On January 15, 2013, the Administrator issued an Order denying the petition. The Order explains the reasons behind EPA’s conclusion to deny the petition.

SUPPLEMENTARY INFORMATION: The CAA affords EPA a 45-day period to review, and object to as appropriate, a title V operating permit proposed by State permitting authorities. Section 505(b)(2) of the CAA authorizes any person to petition the EPA Administrator, within 60 days after the expiration of this review period, to object to a title V operating permit if EPA has not done so. Petitions must be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided by the State, unless the petitioner demonstrates that it was impracticable to raise these issues during the comment period or the grounds for the issue arose after this period.
