DEPARTMENT OF EDUCATION

Applications for New Awards; Carol M. White Physical Education Program

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

Overview Information:

Carol M. White Physical Education Program.

Notice inviting applications for new awards for fiscal year (FY) 2013.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.215F.

DATES:

Deadline for Transmittal of Applications: April 12, 2013.

Deadline for Intergovernmental Review: June 10, 2013.

Purpose of Program: The Carol M. White Physical Education Program (PEP) provides grants to local educational agencies (LEAs) and community-based organizations (CBOs) to initiate, expand, and improve physical education for students in grades K–12. Grant recipients must implement programs that help students make progress toward meeting State physical education standards.

Priorities: This competition has five priorities—one absolute priority, two competitive preference priorities, and two invitational priorities. The absolute priority and Competitive Preference Priority 2 are from the notice of final priorities, requirements, and definitions published in the Federal Register on June 18, 2010 (75 FR 34892).

Competitive Preference Priority 1 is from the notice of final supplemental priorities and definitions for discretionary grant programs, published in the Federal Register on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637) (the “Supplemental Priorities”). Applicants may address more than one of the competitive preference priorities.

Absolute Priority: For FY 2013 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority. Under 34 CFR 75.105(c)(2)(i) we will award an additional three points to an application that meets Competitive Preference Priority 1 and an additional two points to an application that meets Competitive Preference Priority 2.

These priorities are:

Under this priority we give competitive preference to projects that are designed to address the following priority area:

(a) Providing services to students enrolled in persistently lowest-achieving schools (as defined in this notice).

Note: For the purposes of this priority, the Department considers schools that are identified as Tier I or Tier II schools under the School Improvement Grants Program (see 75 FR 66363) as part of a State’s approved FY 2009, FY 2010, or FY 2011 application to be persistently lowest-achieving schools. A list of these Tier I and Tier II schools can be found on the Department’s Web site at http://www2.ed.gov/programs/sif/index.html.

Competitive Preference Priority 2: Partnerships Between Applicants and Supporting Community Entities.

We will give a competitive preference priority to an applicant that includes in its application an agreement that details the participation of required partners, as defined in this notice. The agreement must include a description of: (1) Each partner’s roles and responsibilities in the project; (2) how each partner will contribute to the project, including any contribution to the local match; (3) an assurance that the application was developed after timely and meaningful consultation between the required parties, as defined in this notice; and (4) a commitment to work together to reach the desired goals and outcomes of the project. The partner agreement must be signed by the Authorized Representative of each of the required partners and by other partners as appropriate.

For an LEA applicant, this partnership agreement must include: (1) The LEA; (2) at least one CBO; (3) a local public health entity, as defined in this notice; (4) the LEA’s food service or child nutrition director; and (5) the head of the local government, as defined in this notice.
For a CBO applicant, the partnership agreement must include: (1) The CBO; (2) a local public health entity, as defined in this notice; (3) a local organization supporting nutrition or healthy eating, as defined in this notice; (4) the head of the local government, as defined in this notice; and (5) the LEA from which the largest number of students expected to participate in the CBO’s project attend. If the CBO applicant is a school, such as a parochial or other private school, the applicant must describe its school as part of the partnership agreement but is not required to provide an additional signature from an LEA or another school. A CBO applicant that is a school and serves its own population of students is required to include another CBO as part of its partnership and include the head of that CBO as a signatory on the partnership agreement. Although partnerships with other parties are required for this priority, the eligible applicant must retain the administrative and fiscal control of the project.

Invitational Priorities: For FY 2013 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications. These priorities are:

**Invitational Priority 1: Design Filters for Physical Activity Programs.**

**Background.** In September 2012, as part of its Let’s Move! initiative, the White House promoted the use of seven “design filters” to serve as guidelines for both public and private sectors in creating physical activity programs. These are evidence-based program practices developed by experts from the public, private, and philanthropic sectors.

We believe that the seven design filters complement the priorities and requirements in this notice. Additional information about the seven design filters is available at: [http://ahealthieramerica.org/sites/all/themes/pha/files/PHA_Policy_Brief_and_Designed Filters.pdf](http://ahealthieramerica.org/sites/all/themes/pha/files/PHA_Policy_Brief_and_Designed Filters.pdf).

This priority is:

Projects that propose to align their programs with the following design filters. Programs should:

1. Strive for universal access;  
2. Include a range of age appropriate activities;  
3. Aim to reach the recommended guidelines on dosage and duration;  
4. Be engaging and fun for kids;  
5. Be led by well-trained coaches and mentors;  
6. Track progress, both individually and for the group; and  
7. Provide consistent motivation and incentives.

**Invitational Priority 2: Turning Around Priority Schools.**

**Background.** Competitive Preference Priority 1 provides additional points to applications that include plans to provide services to students enrolled in persistently lowest-achieving schools. In addition to persistently lowest-achieving schools, 34 States and the District of Columbia have identified a new category of low-performing schools—priority schools—as part of their implementation of new systems of differentiated recognition, accountability, and support under ESEA flexibility.

In general, priority schools represent the lowest-achieving five percent of a State’s Title I schools and also may include Title I-participating or Title I-eligible high schools with graduation rates below 60 percent. A State’s priority schools list typically includes at least some persistently lowest-achieving schools in which LEAs are implementing comprehensive interventions under the School Improvement Grants program, but most States’ lists include additional schools as well. Some priority schools, then, are not persistently lowest-achieving schools.

Consequently, for most States that have received waivers under ESEA flexibility, the list of priority schools represents a more complete and up-to-date list of its lowest-performing schools than its list of persistently lowest-achieving schools. In addition, States that have received ESEA flexibility are required to begin, over the next three years, implementation of comprehensive interventions that are designed to turn around the performance of each of their priority schools.

For these reasons, we encourage applicants from States approved for ESEA flexibility to include in their project design an emphasis on providing services to students enrolled in priority schools, both those that are and those that are not persistently lowest-achieving schools. An applicant may address this priority and Competitive Preference Priority 1 by serving priority schools that are also persistently lowest-achieving schools.

**This priority is: Projects that provide services to students enrolled in priority schools (as defined in this notice).**

**Requirements**

The following requirements, which are from the notice of final priorities, requirements, and definitions published in the Federal Register on June 18, 2010 (75 FR 34892), apply to this competition:

**Requirement 1—Align Project Goals With Identified Needs Using the School Health Index (SHI).**

Applicants must complete the physical activity and nutrition questions in Modules 1–4 of the Center for Disease Control’s (CDC’s) SHI self-assessment tool and develop project goals and plans that address the identified needs. Modules 1–4 are School Health and Safety Policies and Environment, Health Education, Physical Activity and Other Physical Activity Programs, and Nutrition Services. LEA applicants must use the SHI self-assessment to develop a School Health Improvement Plan focused on improving these issues, and design an initiative that addresses their identified gaps and weaknesses.

Applicants must include their Overall Score Card for the questions answered in Modules 1–4 in their application, and correlate their School Health Improvement Plan to their project design. Grantees must also complete the same modules of the SHI at the end of the project period and submit the Overall Score Card from the second assessment in their final reports to demonstrate SHI completion and program improvement as a result of PEP funding.

If a CBO applicant (unless the CBO is a school) is in a partner agreement with an LEA or school, it must collaborate with its partner or partners to complete Modules 1–4 of the SHI.

Alternatively, if the CBO has not identified a school or LEA partner, the CBO is not required to do Modules 1–4 of the SHI but must use an alternative needs assessment tool to assess the nutrition and physical activity environment in the community for children. CBO applicants are required to include their overall findings from the community needs assessment and correlate their findings with their project design. Grantees will be required to complete the same needs assessment at the end of their project and submit their findings in their final reports to demonstrate the completion of the assessment and program involvement as a result of PEP funding.

**Requirement 2—Nutrition- and Physical Activity-Related Policies**

Grantees must develop, update, or enhance physical activity policies and
food- and nutrition-related policies that promote healthy eating and physical activity throughout students’ everyday lives, as part of their PEP projects. Applicants must describe in their application their current policy framework, areas of focus, and the planned process for policy development, implementation, review, and monitoring. Grantees will be required to detail at the end of their project period in their final reports the physical activity and nutrition policies selected and how the policies improved through the course of the project.

Applicants must sign a Program-Specific Assurance that commits them to developing, updating, or enhancing these policies during the project period. Applicants that do not submit such a Program-Specific Assurance signed by the applicant’s Authorized Representative are ineligible for the competition.

Requirement 3—Linkage With Local Wellness Policies

Applicants that are participating in a program authorized by the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966 must describe in their applications their school district’s established local wellness policy and how the proposed PEP project will align with, support, complement, and enhance the implementation of the applicant’s local wellness policy. The LEA’s local wellness policy should address all requirements in the Child Nutrition Act of 1966. CBO applicants must describe in their applications how their proposed PEP project supports the efforts of this initiative.

An applicant for a PEP project in a community that receives a grant under the Recovery Act Communities Putting Prevention to Work—Community Initiative must agree to coordinate its PEP project efforts with those under the Recovery Act Communities Putting Prevention to Work—Community Initiative. Applicants and PEP-funded projects must complement, rather than duplicate, existing, ongoing or new efforts whose goals and objectives are to promote physical activity and healthy eating or help students meet their State standards for physical education. Applicants must sign a Program-Specific Assurance that commits them to align their PEP project with the Coordinated School Health program, Team Nutrition Training Grant, Recovery Act Communities Putting Prevention to Work—Community Initiative, or any other similar Federal, State, or local initiatives. Applicants that do not submit a Program-Specific Assurance signed by the applicant’s Authorized Representative are ineligible for the competition.

Requirement 5—Updates to Physical Education and Nutrition Instruction Curricula

Applicants that plan to use grant-related funds, including Federal and non-Federal matching funds, to create, update, or enhance their physical education or nutrition education curricula are required to use the Physical Education Curriculum Analysis Tool (PECAT) and submit their overall PECAT scorecard, and the curriculum improvement plan from PECAT. Also, those applicants that plan to use grant-related funds, including Federal and non-Federal matching funds to create, update, or enhance their nutrition instruction in health education must complete the healthy eating module of the Health Education Curriculum Analysis Tool (HECAT). Applicants must use the curriculum improvement plan from the HECAT to identify curricular changes to be addressed during the funding period. Applicants must also describe how the HECAT assessment would be used to guide nutrition instruction curricular changes. If an applicant is not proposing to use grant-related funds for physical education or nutrition instruction curricula, it would not need to use these tools.

Requirement 6—Equipment Purchases

Purchases of equipment with PEP funds or with funds used to meet the program’s matching requirement must be aligned with the curricular components of the proposed physical education and nutrition program. Applicants must commit to aligning the students’ use of the equipment with PEP elements applicable to their projects, identified in the absolute priority in this notice, and any applicable curricula by signing a Program-Specific Assurance. Applicants that do not submit a Program-Specific Assurance signed by the applicant’s Authorized Representative are ineligible for the competition.

Requirement 7—Increasing Transparency and Accountability

Grantees must create or use existing reporting mechanisms to provide information on students’ progress, in the aggregate, on the key program indicators, as described in this notice and required under the Government Performance and Results Act, as well as on any unique project-level measures proposed in the application. Grantees that are educational agencies or institutions are subject to applicable Federal, State, and local privacy provisions, including the Family Educational Rights and Privacy Act—a law that generally prohibits the non-consensual disclosure of personally identifiable information in a student’s education record. All grantees must comply with applicable Federal, State, and local privacy provisions. The aggregate-level information should be easily accessible by the public, such as posted on the grantee’s or a partner’s Web site. Applicants must describe in

---

3 The requirement to have a local school wellness policy, previously set out in section 204 of the Child Nutrition and WIC Reauthorization Act of 2004, was repealed and replaced by section 9A of the Richard B. Russell National School Lunch Act, 42 U.S.C. 1758b, as added by section 204(a) of Public Law 111–296, the Healthy, Hunger-Free Kids Act of 2010, enacted on December 13, 2010.
their application the planned method for reporting.

Applicants must commit to reporting information to the public by signing a Program-Specific Assurance. Applicants that do not submit a Program-Specific Assurance signed by the applicant’s Authorized Representative are ineligible for the competition.

**Definitions:** Some of the definitions in this notice are from Supplemental Priorities published in the Federal Register on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637). Other selected definitions, which are from the Elementary and Secondary Education Act of 1965, as amended (ESEA), are included for the convenience of the reader. The definition of “priority school” comes from the Department’s document “ESEA Flexibility,” available at www.ed.gov/esea/flexibility. The remaining definitions are from the notice of final priorities, requirements, and definitions published in the Federal Register on June 18, 2010 (75 FR 34892). After each definition, we identify its source.

**Community-based organization** means a public or private nonprofit organization of demonstrated effectiveness that—
(a) Is representative of a community or significant segments of a community; and
(b) Provides educational or related services to individuals in the community. (ESEA section 9101(6)).

**Head of local government** means the head of, or an appropriate designee of, the party responsible for the civic functioning of the county, city, town, or municipality would be considered the head of local government. This includes, but is not limited to, the mayor, city manager, or county executive. (75 FR 34892, 34909).

**Local educational agency (LEA)** means:
(1) A public board of education or other public authority legally constituted within a State for either administrative control or direction of, or to perform a service function for, public elementary schools or secondary schools in a city, county, township, school district, or other political subdivision of a State, or of or for a combination of school districts or counties that is recognized in a State as an administrative agency for its public elementary schools or secondary schools.

(2) The term includes any other public institution or agency having administrative control and direction of a public elementary school or secondary school.

(3) The term includes an elementary school or secondary school funded by the Bureau of Indian Affairs but only to the extent that including the school makes the school eligible for programs for which specific eligibility is not provided to the school in another provision of law and the school does not have a student population that is smaller than the student population of the local educational agency receiving assistance under this Act with the smallest student population, except that the school shall not be subject to the jurisdiction of any State educational agency other than the Bureau of Indian Affairs.

(4) The term includes educational service agencies and consortia of those agencies.

(5) The term includes the State educational agency in a State in which the State educational agency is the sole educational agency for all public schools. (ESEA section 9101(26)).

**Local public health entity** means an administrative or service unit of local or State government concerned with health and carrying some responsibility for the health of a jurisdiction smaller than the State (except for Rhode Island and Hawaii, because these States' health departments operate on behalf of local public health and have no sub-State unit). The definition applies to the State health department or the State public health entity in the event that the local public health entity does not govern health and nutrition issues for the local area. (75 FR 34892, 34909).

**Organization supporting nutrition or healthy eating** means a local public or private non-profit school, health-related professional organization, local public health entity, or local business that has demonstrated interest and efforts in promoting student health or nutrition. This term includes, but is not limited to LEAs (particularly an LEA’s school food or child nutrition director), grocery stores, supermarkets, restaurants, corner stores, farmers’ markets, farms, other private businesses, hospitals, institutions of higher education, Cooperative Extension Service and 4H Clubs, and community gardening organizations, when such entities have demonstrated a clear intent to promote student health and nutrition or have made tangible efforts to do so. This definition does not include representatives from trade associations or representatives from any organization representing any producers or marketers of food or beverage product(s). (75 FR 34892, 34909).

**Persistently lowest-achieving schools** means, as determined by the State: (i) Any Title I school in improvement, corrective action, or restructuring that (a) is among the lowest-achieving five percent of Title I schools in improvement, corrective action, or restructuring or the lowest-achieving five Title I schools in improvement, corrective action, or restructuring in the State, whichever number of schools is greater; or (b) is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years; and (ii) any secondary school that is eligible for, but does not receive, Title I funds that: (a) Is among the lowest-achieving five percent of secondary schools or the lowest-achieving five secondary schools in the State that are eligible for, but do not receive, Title I funds, whichever number of schools is greater; or (b) is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years.

To identify the persistently lowest achieving schools, a State must take into account both: (i) The academic achievement of the “all students” group in a school in terms of proficiency on the State’s assessments under section 1111(b)(3) of the ESEA in reading/language arts and mathematics combined; and (ii) the school’s lack of progress on those assessments over a number of years in the “all students” group. (76 FR 27637, 27640).

**Priority school** means a school that is on a State’s list of priority schools under its approved ESEA flexibility request and that, based on the most recent data available, has been identified as among the lowest-performing schools in the State, consistent with one of the following criteria: (1) A school among the lowest five percent of Title I schools in the State based on the achievement of the “all students” group in terms of proficiency on the statewide assessments that are part of the SEA’s differentiated recognition, accountability, and support system, combined, and has demonstrated a lack of progress on those assessments over a number of years in the “all students” group; (2) A Title I-participating or Title I-eligible high school with a graduation rate less than 60 percent over a number of years; or (3) A Tier I or Tier II school...
under the SIG program that is using SIG funds to implement a school intervention model.

Note: A list of priority schools in each State approved for ESEA flexibility may be found on the SEA’s Web site. The following States have been approved for ESEA flexibility: Arkansas, Arizona, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Indiana, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nevada, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Virginia, Washington, and Wisconsin. In addition, the District of Columbia has been approved for ESEA flexibility.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 86, 97, 98, and 99. (b) The Education Department suspension and debarment regulations in 2 CFR part 3485. (c) The regulations in 34 CFR part 209. (d) The notice of final eligibility requirements for the Office of Safe and Drug-Free Schools discretionary grant programs published in the Federal Register on December 4, 2006 (71 FR 70369). (e) The notice of final priorities, requirements, and definitions published in the Federal Register on June 18, 2010 (75 FR 34892). (f) The Supplemental Priorities published in the Federal Register on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637).

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The Administration’s budget request for FY 2013 does not include funds for this program. In place of this and several other, sometimes narrowly targeted, programs that address students’ safety, health, and drug-prevention, the Administration has proposed to create, through the reauthorization of the Elementary and Secondary Education Act of 1965, a broader Successful, Safe, and Healthy Students program that would increase the capacity of States, districts, and their partners to provide the resources and supports for safe, healthy, and successful students. However, we are inviting applications for PEP to allow enough time to complete the grant process before the end of the current fiscal year, if Congress appropriates funds for this program.

Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2013 and in subsequent years from the list of unfunded applicants from this competition.

Estimated Range of Awards: $100,000–$750,000.

Estimated Average Size of Awards: $375,000.

Estimated Number of Awards: 95.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. Eligible Applicants: (a) LEAs, including charter schools that are considered LEAs under State law, and CBOs, including faith-based organizations that they meet the applicable statutory and regulatory requirements.

(b) The Secretary limits eligibility under this discretionary grant competition to LEAs or CBOs that do not currently have an active grant under PEP. For the purpose of this eligibility requirement, a grant is considered active until the end of the grant’s project or funding period, including any extensions of those periods that extend the grantee’s authority to obligate funds.

2. Cost Sharing or Matching: In accordance with section 5506 of the ESEA, the Federal share of the project costs may not exceed (i) 90 percent of the total cost of a program for the first year for which the program receives assistance; and (ii) 75 percent of such cost for the second and each subsequent year.

(b) Supplement-Not-Supplant: This competition involves supplement-not-supplant funding requirements. Funds made available under this program must be used to supplement, and not supplant, any other Federal, State, or local funds available for physical education activities in accordance with section 5507 of the ESEA.

3. Other: An application for funds under this program may provide for the participation, in the activities funded, of (a) students enrolled in private nonprofit elementary schools or secondary schools, and their parents and teachers; or (b) home-schooled students, and their parents and teachers.

IV. Application and Submission Information

Telephone: (202) 245–7871. You can also obtain an application package via the Internet. To obtain a copy via Internet, use the following address: www.ed.gov/programs/whitephysed/applicant.html. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the program contact person listed in this section.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to no more than 25 pages, using the following standards:

• A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

• Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

• Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

• Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, the page limit does apply to all of the application narrative section.

Our reviewers will not read any pages of your application that exceed the page limit.

Deadline for Transmittal of Applications: April 12, 2013.

Applications for grants under this program must be submitted electronically using the Grants.gov...
Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under FOR FURTHER INFORMATION CONTACT in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: June 10, 2013.

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: Funds may not be used for construction activities or for extracurricular activities, such as team sports and Reserve Officers’ Training Corps program activities (See section 5503(c) of the ESEA).

In accordance with section 5505(b) of the ESEA, not more than five percent of grant funds provided under this program to an LEA or CBO for any fiscal year may be used for administrative expenses.

We reference additional regulations outlining funding restrictions in the Applicable Regulations section of this notice. Information about prohibited activities and use of funds also is included in the application package for this competition.

6. Data Universal Numbering System Number, Taxpayer Identification Number, Central Contractor Registry, and System for Award Management: To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR)—and, after July 24, 2012, with the System for Award Management (SAM), the Government’s primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active CCR or SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day. If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR or SAM registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days to complete. Information about SAM is available at SAM.gov.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.Grants.gov/applicants/get_registered.jsp.

7. Other Submission Requirements: Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications: Applications for grants under the Carol M. White Physical Education Program at www.Grants.gov must be submitted electronically. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described later in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Carol M. White Physical Education Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (i.e., search for 84.215, not 84.215F).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department’s G5 system home page at www.G5.gov.

We will reject your application if you submit it in paper format unless, as described later in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Carol M. White Physical Education Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (i.e., search for 84.215, not 84.215F).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department’s G5 system home page at www.G5.gov.
You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

Your electronic application must comply with any page-limit requirements described in this notice.

After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

We may request that you provide us with your application in paper format. If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1–800–518–4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under FOR FURTHER INFORMATION CONTACT in Section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Carlette Kyser-Pegram, U.S. Department of Education, 400 Maryland Avenue, SW., Room 70007, P.O. Box 783047, Washington, DC 20020–6450. FAX: (202)245–7166.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.215F), LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202–4260.

You must show proof of mailing consisting of one of the following:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time,
except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 104.6, 108.8, and 110.23).

An additional factor we consider in selecting applications for an award is equitable distribution of awards among LEAs and CBOs serving urban and rural areas. (See 20 U.S.C. 7261b(b).)

3. Special Conditions: Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we mail you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) There are reporting requirements under this program, including under section 5505(a) of the ESEA and 34 CFR 75.118 and 75.720. In accordance with section 5505(a) of the ESEA, grantees under this program are required to submit an annual report that—

(1) Describes the activities conducted during the preceding year; and

(2) Demonstrates that progress has been made toward meeting State standards for physical education.

This annual report must also address progress toward meeting the performance and efficiency measures established by the Secretary for this program and described in the next section of this notice.

(c) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. Performance Measures: The Secretary has established the following key performance measures for collecting data to use in assessing the effectiveness of PEP:

(a) The percentage of students served by the grant who engage in 60 minutes of daily physical activity measured by using pedometers for students in grades K–12 and an additional 3-Day Physical Activity Recall (3DPAR) instrument to collect data on students in grades 5–12.

(b) The percentage of students served by the grant who meet the standard of a healthy fitness zone as established by the assessment for the Presidential Youth Fitness Program (PYFP) in at least five of the six fitness areas of that assessment.

(c) The percentage of students served by the grant who consume fruit two or more times per day and vegetables three or more times per day as measured in programs serving high school students using the nutrition-related questions from the Youth Risk Behavior Survey and in programs serving elementary and middle school students using an appropriate assessment tool for their populations.

For each measure, grantees should collect and aggregate data from two discrete data collection periods throughout each year. During the first year, grantees have an additional data collection period prior to program implementation to collect baseline data.

(d) The cost (based on the amount of the grant award) per student who achieves the level of physical activity required to meet the physical activity measure above (i.e., 60 minutes of daily physical activity).

These measures constitute the Department’s measures of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data on their performance and final reports about progress toward these measures.

5. Continuation Awards: In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made “substantial progress toward meeting the objectives in its approved application.” This consideration includes the review of a grantee’s progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers
whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

VII. Agency Contact

FOR FURTHER INFORMATION CONTACT:

If you use a TDD or a TTY, call the FRS, toll free, at 1–800–877–8339.

VIII. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audio tape, or compact disc) on request to the program contact person listed under FOR FURTHER INFORMATION CONTACT in section VII of this notice.

Electronic Access to This Document: The official version of this document is published in the Federal Register. Free Internet access to the official edition of the Federal Register and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of this Department published both in the Federal Register, in text or Adobe Portable Document Format (PDF). To use PDF you must have Adobe Acrobat Reader, which is available free at the site.

You may also access documents of the Department published in the Federal Register by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Deborah S. Delisle,
Assistant Secretary for Elementary and Secondary Education.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Combined Notice of Filings #1

Take notice that the Commission received the following electric rate filings:

Applicants: Alcoa Power Generating Inc., Alcoa Power Marketing LLC.
Description: Alcoa Power Generating Inc., et al. submit response to January 25, 2013 request for additional information.
File Date: 2/14/13.
Accession Number: 20130214–5182.
Comments Due: 5 p.m. ET 3/7/13.

Description: Edison Mission Group Inc. entities Supplement to December 28, 2012 Triennial Market Power Analysis for the SPP Region.
File Date: 2/14/13.
Accession Number: 20130214–5113.
Comments Due: 5 p.m. ET 3/7/13.
Docket Numbers: ER13–938–000.
Applicants: Southwest Power Pool, Inc.
Description: Revisions to Attachment H Addendum 2–A Part 2—OG&E to be effective 8/2/2012.
File Date: 2/14/13.
Accession Number: 20130214–5159.
Comments Due: 5 p.m. ET 3/7/13.
Applicants: North Carolina Electric Membership Corporation.
File Date: 2/14/13.
Accession Number: 20130214–5190.
Comments Due: 5 p.m. ET 3/7/13.

Take notice that the Commission received the following electric securities filings:

Docket Numbers: ES13–17–000
Applicants: Northern Maine Independent System Administrator, Inc.
Description: Amendment to Application of Northern Maine Independent System Administrator, Inc.
File Date: 2/14/13.
Accession Number: 20130214–5187
Comments Due: 5 p.m. ET 2/25/13.

Take notice that the Commission received the following land acquisition reports:

Docket Numbers: LA12–3–000
File Date: 2/14/13.
Accession Number: 20130214–5026.
Comments Due: 5 p.m. ET 3/7/13.

The filings are accessible in the Commission’s eLibrary system by clicking on the links or querying the docket number.

Any person desiring to intervene or protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission’s Regulations (18 CFR 385.211 and 385.214) on or before 5:00 p.m. Eastern time on the specified comment date. Protests may be considered, but intervention is necessary to become a party to the proceeding.

eFiling is encouraged. More detailed information relating to filing requirements, interventions, protests, service, and qualifying facilities filings can be found at: http://www.ferc.gov/docs-filing/eFiling/filing-req.pdf. For other information, call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Nathaniel J. Davis, Sr.,
Deputy Secretary.

[FR Doc. 2013–04316 Filed 2–25–13; 8:45 am]
