

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service announces the availability of a Draft Environmental Impact Statement (EIS) for the Cottonwood Cove and Katherine Landing Development Concept Plans, Lake Mead National Recreation Area. The Draft EIS identifies and analyzes three alternatives, as follows. Alternative 1 *Continue Current Management Trends* (no action alternative) reflects current management direction and serves as a baseline for comparison with the other alternatives. Existing facilities would be retained with minimal changes. Alternative 2 *Implement Previous Planning Proposals* would implement previous planning proposals that separate day use and marina facilities, maintain the type of overnight facilities, and provide flood mitigation. Alternative 3 *Enhance Visitor Experience and Park Operations* (agency-preferred alternative) would enhance day-use opportunities, upgrade and expand the type of overnight facilities, and provide flood mitigation. The Draft EIS also evaluates the potential environmental impacts of the alternatives, including potential impacts to native plant communities and soils, wildlife, threatened, endangered, and special status species; floodplains; archeological resources; historic structures; cultural landscape; ethnographic resources; visitor use, experience, and safety; park operations; and socioeconomic environment.

DATES: The National Park Service will accept comments on the Draft EIS from the public for 60 days after the date the Environmental Protection Agency publishes its notice in the **Federal Register**. The National Park Service will also hold public meetings during the public comment period; the date, time, and location of the meetings will be announced on Project Web site <http://parkplanning.nps.gov/lake>, as well as via local and regional press media.

ADDRESSES: Respondents may submit comments by one of two methods. You may mail written comments to Lake Mead National Recreation Area, Attn: DCP-DEIS, 601 Nevada Highway, Boulder City, NV 89005. You may also submit comments electronically via the Internet at <http://parkplanning.nps.gov/lake>. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying

information from public review, we cannot guarantee that we will be able to do so.

FOR FURTHER INFORMATION CONTACT: Mr. Jim Holland, Park Planner, Lake Mead National Recreation Area, 601 Nevada Highway, Boulder City, NV 89005 (702) 293-8986.

SUPPLEMENTARY INFORMATION: The purpose of the development concept plans is to reevaluate the implementation strategies for these two areas that were identified in the 1986 *Lake Mead National Recreation Area General Management Plan/Development Concept Plans/Final Environmental Impact Statement* and to incorporate the concepts and carrying capacities that were approved in the 2003 *Lake Mead National Recreation Area Lake Management Plan/Final Environmental Impact Statement*. Each development concept plan provides an integrated plan for development with site specific guidance for the extent, type, and location of facilities and services that is consistent with the management direction and intent established in the general management plan and lake management plan.

The general management plan addressed the need to provide recreational opportunities while preserving and protecting natural and cultural resources. It established land-based management zones and included development concept plans for Cottonwood Cove and Katherine Landing that identified limits on the development, established the number and type of facilities, and addressed flood hazards. The general management plan's vision for both areas was to accommodate increasing use, enhance the visitor experience, and mitigate flood hazards. The lake management plan established water-based management zones and provided further guidance for the long-term protection of park resources while allowing a range of recreational opportunities to support visitor needs. A number of the management actions identified in both approved plans require more site-specific development planning. There are also a number of management issues that have not been adequately addressed or resolved in the previous planning efforts and that require a more detailed examination of development and operational needs.

The primary issues affecting the management of the Cottonwood Cove and Katherine Landing developed areas are as follows:

- Providing flood mitigation

- Enhancing shoreline-based day-use opportunities and facilities to meet a growing demand
 - Improving the safety and ease of access, providing better organized and more convenient parking, and providing an appropriate number of parking spaces
 - Improving NPS campgrounds to function effectively to meet visitor needs while protecting the cultural landscape
 - Providing adequate visitor information and education programs and determining if commercial services and NPS educational and interpretive services be provided in a joint facility enhancing operational facilities to function effectively and efficiently, meeting the needs of both park staff and visitors
 - Identifying which concession facilities or services are still necessary and appropriate at these sites for public use and enjoyment of the park
- Decision Process:** Following due consideration of all comments received, a Final EIS will be prepared. As a delegated EIS, the official responsible for a final decision is the Regional Director, Pacific West Region. Subsequently the official responsible for implementing the approved development concept plans and for monitoring results is the Superintendent, Lake Mead National Recreation Area.

Dated: September 28, 2012.

Martha J. Lee,

Acting Regional Director, Pacific West Region.

Landmarks Committee of the National Park System Advisory Board Meeting

AGENCY: National Park Service, Interior.

ACTION: Notice of meeting.

SUMMARY: Notice is hereby given in accordance with the Federal Advisory Committee Act, 5 U.S.C. Appendix (1988), that a teleconference meeting of the Landmarks Committee of the National Park System Advisory Board will be held beginning at 1:00 p.m. on April 9, 2013, at the following location. Members of the public may attend the meeting in person in Washington, DC, or may participate via teleconference.

DATES: The meeting will be held on April 9, 2013, from 1:00 p.m. to 3:30 p.m., Eastern Daylight Time.

Location: The teleconference meeting will be held at the National Park Service, 1201 Eye Street NW., 2nd Floor, Washington, DC 20005.

Agenda: The National Park System Advisory Board and its Landmarks Committee may consider the following nominations:

Illinois

ADLAI E. STEVENSON II HOUSE,
Mettawa

Michigan

THE DETROIT INDUSTRY MURALS,
DETROIT INSTITUTE OF ARTS, Detroit

Pennsylvania

GEORGE NAKASHIMA WOODWORKER
COMPLEX, Bucks County

The committee may also consider the following historic trail:

BUTTERFIELD OVERLAND NATIONAL
HISTORIC TRAIL

FOR FURTHER INFORMATION CONTACT:

Patricia Henry, National Historic Landmarks Program, National Park Service; 1201 Eye Street NW., 8th Floor; Washington, DC 20005; Telephone (202) 354-2216; Email: Patty_Henry@nps.gov.

SUPPLEMENTARY INFORMATION:

The purpose of the meeting of the Landmarks Committee of the National Park System Advisory Board is to evaluate nominations of historic properties in order to advise the National Park System Advisory Board of the qualifications of each property being proposed for National Historic Landmark (NHL) designation, and to make recommendations regarding the possible designation of those properties as National Historic Landmarks to the National Park System Advisory Board at a subsequent meeting at a place and time to be determined. The members of the committee, with exception of the Chair, will be participating remotely at this meeting. The members of the Landmarks Committee are:

Mr. Ronald James, Chair
Dr. James M. Allan
Dr. Cary Carson
Dr. Darlene Clark Hine
Mr. Luis Hoyos, AIA
Dr. Barbara J. Mills
Dr. William J. Murtagh
Dr. Franklin Odo
Dr. William D. Seale
Dr. Michael E. Stevens

The meeting will be open to the public at the location provided above or via teleconference. Due to the limited scope of this meeting, the NPS has determined that a teleconference will be the most efficient way to convene the Committee members. The Committee meeting will be open to the public in the same way that other Committee

meetings have been open to the public in the past. Space and facilities to accommodate the public are limited and attendees will be accommodated on a first-come basis. Opportunities for oral comment will be limited to no more than 3 minutes per speaker and no more than 15 minutes total per property. The Committee Chairman will determine how time for oral comments will be allotted. To participate via teleconference interested parties must provide their name and email address to the Program by Friday, April 5; submit the requested contact information to Ms. Patty Henry at (202) 354-2216, or via email at Patty_Henry@nps.gov.

Pursuant to 36 CFR Part 65, any member of the public may file, for consideration by the Landmarks Committee of the National Park System Advisory Board, written comments concerning the National Historic Landmarks nominations. Comments should be submitted to J. Paul Loether, Chief, National Register of Historic Places and National Historic Landmarks Program, National Park Service; 1201 Eye Street NW., 8th Floor; Washington, DC 20005; Email: Paul_Loether@nps.gov.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
